**COMPLAINT FOR DAMAGES
AND EQUITABLE RELIEF**

I. INTRODUCTION

1. This case involves Defendants' unlawful and expressly prohibited sale of counterfeits of Canon-branded camera chargers and batteries developed by Canon Kabushiki Kaisha and imported, marketed, and sold in the United States by its wholly-owned subsidiary Canon U.S.A., Inc. (collectively, "Canon"). Amazon.com, Inc., and Amazon.com Services LLC (collectively, "Amazon") and Canon (together with Amazon, "Plaintiffs") jointly bring this lawsuit to permanently prevent and enjoin Defendants from causing future harm to Amazon's and Canon's customers, reputations, and intellectual property ("IP"), and to hold Defendants accountable for their illegal actions.

2. Amazon owns and operates the Amazon.com store (the “Amazon Store”) and equivalent counterpart international stores and websites. Amazon’s stores offer products and services to customers in more than 100 countries around the globe. Some of the products are sold directly by Amazon, while others are sold by Amazon’s numerous third-party selling partners. The Amazon brand is one of the most well-recognized, valuable, and trusted brands in the world. To protect its customers and safeguard its reputation for trustworthiness, Amazon invests heavily in both time and resources to prevent counterfeit and infringing goods from being sold in its stores. In 2022 alone, Amazon invested over \$1.2 billion and employed more than 15,000 people to protect its stores from fraud and abuse. Amazon stopped over 800,000 suspected bad-actor selling accounts before they published a single listing for sale.

3. Canon is one of the most successful suppliers of printing, photographic, and imaging equipment and related goods, with a long history of marketing and selling high quality products since its founding in 1937. Canon develops cutting edge photographic technology. Canon Kabushiki Kaisha, through its wholly-owned United States subsidiary, Canon U.S.A., Inc., imports, markets, distributes, and sells Canon-branded cameras and camera accessories under its famous trademarks.

4. Canon, along with its contractors, develops, designs, and manufactures batteries and chargers designed to work with each of its camera models.

5. Canon owns, manages, enforces, licenses, and maintains IP, including various trademarks. Relevant to this Complaint, Canon Kabushiki Kaisha owns the following registered trademarks (“Canon Trademarks”).

<u>Mark</u>	<u>Registration No. (International Classes)</u>
CANON	1,315,232 (IC 009)
Canon	3,189,094 (IC 009)

1 True and correct copies of the registration certificates for the Canon Trademarks are attached as
2 **Exhibit A.**

3 6. Defendants advertised, marketed, offered, and sold counterfeit Canon products in
4 the Amazon Store, using Canon's Trademarks, without authorization, in order to deceive
5 customers about the authenticity and origin of the products and the products' affiliation with
6 Canon.

7 7. As a result of their illegal actions, Defendants have infringed and misused
8 Canon's IP; breached their contracts with Amazon; willfully deceived and harmed Amazon,
9 Canon, and their customers; compromised the integrity of the Amazon Store; and undermined
10 the trust that customers place in Amazon and Canon. Defendants' illegal actions have caused
11 Amazon and Canon to expend significant resources to investigate and combat Defendants'
12 wrongdoing and to bring this lawsuit to prevent Defendants from inflicting future harm to
13 Amazon, Canon, and their customers.

14 II. PARTIES

15 8. Amazon.com, Inc., is a Delaware corporation with its principal place of business
16 in Seattle, Washington. Amazon.com Services LLC is a Delaware company with its principal
17 place of business in Seattle, Washington.

18 9. Canon Kabushiki Kaisha is a Japanese corporation with its principal place of
19 business at 30-2, Shimomaruko 3-Chome, Ohta-Ku, Tokyo, Japan 146-8501. Canon Kabushiki
20 Kaisha distributes its products in the United States through its wholly-owned subsidiary, Canon
21 U.S.A., Inc., a New York corporation.

22 10. Defendants are a collection of individuals and entities, both known and unknown,
23 who conspired and operated in concert with each other to engage in the counterfeiting scheme
24 alleged in this Complaint. Defendants are the individuals and/or entities who operated,
25 controlled, and/or were responsible for the selling accounts identified in **Schedules 1A and 1B**
26
27

1 attached hereto (“Defendants’ Selling Accounts” or “Selling Accounts”).¹ Defendants personally
 2 participated in and/or had the right and ability to supervise, direct, and control the wrongful
 3 conduct alleged in this Complaint, and derived a direct financial benefit from that wrongful
 4 conduct. On information and belief, Defendants took intentional and affirmative steps to hide
 5 their true identities and whereabouts from Amazon and Canon by using fictitious names and/or
 6 contact information, including falsified government IDs and payment information, and
 7 unregistered businesses to conduct their activities. Defendants are subject to liability for their
 8 wrongful conduct both directly and under principles of secondary liability including, without
 9 limitation, *respondeat superior*, vicarious liability, and/or contributory infringement.

10 11. On information and belief, Defendants Does 1-10 (the “Doe Defendants”) are
 11 individuals and/or entities working in active concert with each other and the named Defendants
 12 to knowingly and willfully manufacture, import, advertise, market, offer, distribute, and sell
 13 counterfeit Canon products. The identities of the Doe Defendants are presently unknown to
 14 Plaintiffs.

15 III. JURISDICTION AND VENUE

16 12. The Court has subject matter jurisdiction over Canon’s Lanham Act claim for
 17 trademark infringement, and Amazon’s and Canon’s Lanham Act claims for false designation of
 18 origin and false advertising, pursuant to 15 U.S.C. § 1121 and 28 U.S.C. §§ 1331 and 1338(a).
 19 The Court has subject matter jurisdiction over Amazon’s breach of contract claim and Amazon’s
 20 and Canon’s claims for violation of the Washington Consumer Protection Act, pursuant to 28
 21 U.S.C. §§ 1332 and 1367.

22 13. The Court has personal jurisdiction over Defendants because they transacted
 23 business and committed tortious acts within and directed to the State of Washington, and
 24 Amazon’s and Canon’s claims arise from those activities. Defendants affirmatively undertook to
 25 do business with Amazon, a corporation with its principal place of business in Washington, and
 26

27 ¹ Defendants in Schedules 1A and 1B are subject to different versions of the standard contract with Amazon, as discussed in Section IV.C below.

1 sold in the Amazon Store products bearing counterfeit versions of the Canon Trademarks and
2 which otherwise infringed Canon's IP. Additionally, certain Defendants in **Schedules 1A and**
3 **1B** shipped products bearing counterfeit versions of the Canon Trademarks to consumers in
4 Washington. Each Defendant committed, or facilitated the commission of, tortious acts in
5 Washington and has wrongfully caused Amazon and Canon substantial injury in Washington.

6 14. Further, the named Defendants have consented to the jurisdiction of this Court by
7 agreeing to the Amazon Services Business Solutions Agreement ("BSA"), which provides that
8 the "Governing Courts" for claims to enjoin infringement or misuse of IP rights and claims
9 related to the sale of counterfeit products in the Amazon Store are the state or federal courts
10 located in King County, Washington.

11 15. Venue is proper in this Court pursuant to 28 U.S.C. § 1391(b) because a
12 substantial part of the events giving rise to the claims occurred in the Western District of
13 Washington. Venue is also proper in this Court because Defendants consented to it under the
14 BSA.

15 16. Pursuant to Local Civil Rule 3(e), intra-district assignment to the Seattle Division
16 is proper because the claims arose in this Division, where (a) Amazon resides, (b) injuries giving
17 rise to suit occurred, and (c) Defendants directed their unlawful conduct.

18 IV. FACTS

19 A. Amazon's Efforts to Prevent the Sale of Counterfeit Goods

20 17. Amazon works hard to build and protect the reputation of its stores as a place
21 where customers can conveniently select from a wide array of authentic goods and services at
22 competitive prices. Amazon invests vast resources to ensure that when customers make
23 purchases in Amazon's stores—either directly from Amazon or from one of its millions of third-
24 party sellers—customers receive authentic products made by the true manufacturer of those
25 products.

26 18. A small number of bad actors seek to take advantage of the trust customers place
27 in Amazon by attempting to create Amazon selling accounts to advertise, market, offer,

1 distribute, and sell counterfeit products. These bad actors seek to misuse and infringe the
2 trademarks and other IP of the true manufacturers of those products to deceive Amazon and its
3 customers. This unlawful and expressly prohibited conduct undermines the trust that customers,
4 sellers, and manufacturers place in Amazon, and tarnishes Amazon's brand and reputation,
5 thereby causing irreparable harm to Amazon.

6 19. Amazon continues to innovate to stay ahead of bad actors, and now requires live
7 verification, connecting prospective selling partners with Amazon employees through video
8 chats or in-person appointments to verify their identity and documentation. Amazon reviews the
9 seller-provided identity documents to determine whether those documents are both valid and
10 legitimate, such as confirming that the seller has provided a full legible copy of the document,
11 verifying that the document matches the information the seller provided to Amazon with respect
12 to their identity, and analyzing whether the document shows any signs of alteration, tampering,
13 or fabrication. These measures have made it more difficult for bad actors to hide. Amazon's
14 seller verification, coupled with continued advancements in Amazon's machine learning-based
15 detection, are deterring bad actors from even attempting to create new Amazon selling accounts.
16 The number of bad actor attempts to create new selling accounts decreased from 6 million
17 attempts in 2020, to 2.5 million attempts in 2021, to 800,000 attempts in 2022.

18 20. Amazon prohibits the sale of inauthentic and fraudulent products and is constantly
19 innovating on behalf of its customers and working with brands, manufacturers, rights owners,
20 and others to improve the detection and prevention of counterfeit products from ever being
21 offered to customers in Amazon's stores. Amazon employs dedicated teams of software
22 engineers, research scientists, program managers, and investigators to prevent counterfeits from
23 being offered in Amazon's stores. Amazon's systems automatically and continuously scan
24 thousands of data points to prevent, detect, and remove counterfeits from its stores and to
25 terminate the selling accounts of bad actors before they can offer counterfeit products. When
26 Amazon identifies issues based on this feedback, it takes action to address them. Amazon also
27 uses this intelligence to improve its proactive prevention controls.

1 21. In 2017, Amazon launched Brand Registry, a free service that offers rights owners
2 an enhanced suite of tools for monitoring and reporting potential instances of infringement,
3 regardless of their relationship with Amazon. Brand Registry delivers automated brand
4 protections that use machine learning to predict infringement and proactively protect brands' IP.
5 Brand Registry also provides a powerful Report a Violation Tool that allows brands to search for
6 and report potentially infringing products using state-of-the-art image search technology. In
7 2022, through continued improvements in Amazon's automated protections, brands found fewer
8 infringing products in Amazon's stores, with the number of valid notices of infringement
9 submitted by brands in Brand Registry decreasing by more than 35% from 2021.

10 22. In 2018, Amazon launched Transparency, a product serialization service that
11 effectively eliminates counterfeits for enrolled products. Brands enrolled in Transparency can
12 apply a unique 2D code to every unit they manufacture, which allows Amazon, other retailers,
13 law enforcement, and customers to determine the authenticity of any Transparency-enabled
14 product, regardless of where the product was purchased. In 2022, over 33,000 brands were using
15 Transparency, an increase of 40% from 2021, enabling the protection of more than 900 million
16 product units across the supply chain.

17 23. In 2019, Amazon launched Project Zero, a program to empower brands to help
18 Amazon drive counterfeits to zero. Amazon's Project Zero introduced a novel self-service
19 counterfeit removal tool that enables brands to remove counterfeit listings directly from
20 Amazon's stores. This enables brands to take down counterfeit product offerings on their own
21 within minutes. In 2022, there were more than 22,000 brands enrolled in Project Zero. For every
22 listing removed by a brand, Amazon's automated protections removed more than 1,000 listings
23 through scaled technology and machine learning, stopping those listings from appearing in
24 Amazon's stores.

25 24. Once a seller begins selling in Amazon's stores, Amazon continues to monitor the
26 selling account's activities for risks. If Amazon identifies a bad actor, it closes that actor's selling
27

1 account, withholds funds disbursement, and investigates whether other accounts are involved in
2 unlawful activities.

3 25. In addition to the measures discussed above, Amazon actively cooperates with
4 rights owners and law enforcement to identify and prosecute bad actors suspected of engaging in
5 illegal activity. Lawsuits, like this one, as well as criminal referrals, are integral components of
6 Amazon's efforts to combat counterfeits and other inauthentic products.

7 **B. Canon's Trademarks and Products**

8 26. Continually, and for a long time prior to Defendants' infringing actions, Canon
9 has distributed and sold a wide range of digital cameras and digital camcorders that use the
10 Canon batteries and chargers, and has sold related products, all of which bear the Canon
11 Trademarks. These products have been and are now extensively advertised through television,
12 magazines, newspapers, brochures, trade shows, and other means.

13 27. Continually, and for a long time prior to Defendants' infringing actions, Canon
14 has been and is now marketing, offering for sale, and selling Canon batteries and chargers
15 bearing the Canon Trademarks in the State of Washington and elsewhere in interstate commerce.
16 Through Canon's extensive sales of Canon batteries and chargers, the public has come to
17 recognize Canon batteries and chargers as being of excellent quality and reputation.

18 28. Canon's advertising and promotional activities involving products bearing the
19 Canon Trademarks have been continuous and have been for the purpose of acquainting the
20 public with the excellent quality of Canon's products so that consumers may, with knowledge
21 and confidence, purchase and use products bearing these marks. As a result, Canon cameras,
22 camcorders, batteries, and chargers bearing the Canon Trademarks are well known, and the
23 Canon Trademarks have come to be and are recognized by the public as indicating that the
24 products bearing the Canon Trademarks originate with Canon.

25 29. By reason of their high quality and as a result of Canon's continued and extensive
26 sales, advertising, and promotion, Canon batteries and chargers sold under the Canon
27 Trademarks enjoy an excellent reputation among the public. The Canon Trademarks'

1 registrations and the associated goodwill that has accrued to the Canon Trademarks are of great
2 value to Canon in the conduct of its business.

3 30. Canon is currently enrolled in Brand Registry and Project Zero.

4 31. In addition, Canon operates a worldwide anti-counterfeiting program and
5 regularly investigates suspicious sellers that are identified through proactive internet monitoring
6 or are reported through Canon's distribution network.

7 **C. Defendants Created Amazon Selling Accounts and Agreed Not to Sell**
8 **Counterfeit Goods**

9 32. Defendants established, controlled, and operated the 29 Amazon Selling Accounts
10 detailed in **Schedules 1A and 1B**, through which they sought to advertise, market, offer,
11 distribute, and sell counterfeit Canon products. In connection with these Selling Accounts,
12 Defendants provided Amazon with names, email addresses, and banking information for each
13 account.

14 33. To become a third-party seller in the Amazon Store, sellers are required to agree
15 to the BSA, which governs the applicant's access to and use of Amazon's services and states
16 Amazon's rules for selling in the Amazon Store. By entering into the BSA, each seller represents
17 and warrants that it "will comply with all applicable Laws in [the] performance of its obligations
18 and exercise of its rights" under the BSA. True and correct copies of the applicable versions of
19 the BSA, namely, the versions Defendants last agreed to when using Amazon's services, are
20 attached as **Exhibit B**.

21 34. Under the terms of the BSA, Amazon specifically identifies the sale of counterfeit
22 goods as "deceptive, fraudulent, or illegal activity" in violation of Amazon's policies, reserving
23 the right to withhold payments and terminate the selling account of any bad actor who engages in
24 such conduct. Ex. B, ¶¶ 2-3. The BSA requires the seller to defend, indemnify and hold harmless
25 Amazon against any claims or losses arising from the seller's "actual or alleged infringement of
26 any Intellectual Property Rights." *Id.* ¶ 6.1.
27

35. Additionally, the BSA incorporates, and sellers therefore agree to be bound by, Amazon's Anti-Counterfeiting Policy, the applicable version of which is attached as **Exhibit C**. The Anti-Counterfeiting Policy expressly prohibits the sale of counterfeit goods in the Amazon Store:

- The sale of counterfeit products is strictly prohibited.
- You may not sell any products that are not legal for sale, such as products that have been illegally replicated, reproduced, or manufactured[.]
- You must provide records about the authenticity of your products if Amazon requests that documentation[.]

Failure to abide by this policy may result in loss of selling privileges, funds being withheld, destruction of inventory in our fulfillment centers, and other legal consequences.

Id.

36. Amazon's Anti-Counterfeiting Policy further describes Amazon's commitment to preventing the sale and distribution of counterfeit goods in the Amazon Store together with the consequences of doing so:

- **Sell Only Authentic and Legal Products.** It is your responsibility to source, sell, and fulfill only authentic products that are legal for sale. Examples of prohibited products include:
 - Bootlegs, fakes, or pirated copies of products or content
 - Products that have been illegally replicated, reproduced, or manufactured
 - Products that infringe another party's intellectual property rights
- **Maintain and Provide Inventory Records.** Amazon may request that you provide documentation (such as invoices) showing the authenticity of your products or your authorization to list them for sale. You may remove pricing information from these documents, but providing documents that have been edited in any other way or that are misleading is a violation of this policy and will lead to enforcement against your account.
- **Consequences of Selling Inauthentic Products.** If you sell inauthentic products, we may immediately suspend or terminate your Amazon selling account (and any related accounts), destroy any inauthentic products in our fulfillment centers at your expense, and/or withhold payments to you.
- **Amazon Takes Action to Protect Customers and Rights Owners.** Amazon also works with manufacturers, rights holders, content owners, vendors, and sellers to improve the ways we detect and prevent inauthentic products from

reaching our customers. As a result of our detection and enforcement activities, Amazon may:

- Remove suspect listings.
- Take legal action against parties who knowingly violate this policy and harm our customers. In addition to criminal fines and imprisonment, sellers and suppliers of inauthentic products may face civil penalties including the loss of any amounts received from the sale of inauthentic products, the damage or harm sustained by the rights holders, statutory and other damages, and attorney's fees.
- Reporting Inauthentic Products. We stand behind the products sold on our site with our A-to-z Guarantee, and we encourage rights owners who have product authenticity concerns to notify us. We will promptly investigate and take all appropriate actions to protect customers, sellers, and rights holders. You may view counterfeit complaints on the Account Health page in Seller Central.

Id.

37. When they registered as third-party sellers in the Amazon Store, and established their Selling Accounts, Defendants agreed not to advertise, market, offer, distribute, or sell counterfeit products.

D. Defendants' Sale of Counterfeit Canon Products

38. Defendants advertised, marketed, offered, distributed, and sold counterfeit Canon-branded products in the Amazon Store. Counterfeit Canon-branded products sold by Defendants are identified and described in **Schedules 1A and 1B**.

39. Canon has reviewed physical samples of Canon-branded products sold by Defendants' Selling Accounts and confirmed that the products are inauthentic and bear counterfeit Canon Trademarks and that Canon has never authorized the sale of such products, as detailed in **Schedules 1A and 1B**. In addition, as further detailed in **Schedules 1A and 1B**, certain Defendants submitted falsified invoices to Amazon purporting to show that their counterfeit products came from a supplier of authentic products.

40. Defendants, with full knowledge of the distinctiveness and widespread recognition of the Canon Trademarks, are promoting and selling to the public counterfeit Canon batteries and chargers that bear false reproductions of the Canon Trademarks. Canon has never

1 authorized or consented in any way to the use of Canon Trademarks on any of Defendants'
2 products, nor has Canon granted any license to Defendants allowing such use.

3 41. Defendants have counterfeited the Canon Trademarks by marketing and selling
4 counterfeit "Canon" batteries in the identical color and logo style as that used by Canon for the
5 Canon trademark.

6 42. Defendants' conduct is intentionally fraudulent, malicious, willful, and wanton,
7 and poses a threat of injury or damage to the consuming public because counterfeit power supply
8 products can cause serious accidents and injuries.

9 43. Defendants' conduct is causing immediate and irreparable injury to Canon and
10 Amazon and to their goodwill and reputation and will continue both to damage Canon and
11 Amazon and to deceive the public unless preliminarily and permanently enjoined by this Court.
12 Canon and Amazon have no adequate remedy at law.

13 44. On information and belief, Defendants operated in concert with one another in
14 their marketing, advertising, selling, and distribution of inauthentic Canon-branded products.
15 Defendants are associated through common physical addresses, common shipping addresses, the
16 use of similar fictitious invoices, common phone numbers, and common IP addresses provided to
17 Amazon or used to access their Selling Accounts.

18 **E. Amazon Shut Down Defendants' Selling Accounts**

19 45. By selling counterfeit and infringing Canon products, Defendants falsely
20 represented to Amazon and its customers that the products Defendants sold were genuine
21 products made by Canon. Defendants also knowingly and willfully used Canon's IP in
22 connection with the advertisement, marketing, distribution, offering for sale, and sale of
23 counterfeit and infringing Canon products.

24 46. At all times, Defendants knew they were prohibited from violating third-party IP
25 rights or any applicable laws while selling products in the Amazon Store. Defendants have
26 breached the terms of their agreement with Amazon, deceived Amazon's customers and
27

Amazon, infringed and misused the IP rights of Canon, harmed the integrity of and customer trust in the Amazon Store, and tarnished Amazon's and Canon's brands.

47. After receiving notice from Canon, Amazon verified Defendants' unlawful sale of counterfeit Canon products and blocked Defendants' Selling Accounts. In doing so, Amazon exercised its rights under the BSA to protect its customers and the reputations of Amazon and Canon.

48. Pursuant to Amazon's A-to-z guarantee, Amazon also proactively issued full refunds to customers who purchased purported Canon products from Defendants. Defendants have not reimbursed Amazon.

V. CLAIMS

FIRST CLAIM

(by Canon² against all Defendants)

Trademark Counterfeiting and Trademark Infringement – 15 U.S.C. § 1114

49. Plaintiff Canon incorporates by reference the allegations of the preceding paragraphs as though set forth herein.

50. Defendants' activities constitute counterfeiting and infringement of the Canon Trademarks as described in the paragraphs above.

51. Canon advertises, markets, offers, and sells its products using the Canon Trademarks described above and uses those trademarks to distinguish its products from the products and related items of others in the same or related fields.

52. Because of Canon's long, continuous, and exclusive use of the Canon Trademarks identified in this Complaint, the trademarks have come to mean, and are understood by customers and the public to signify, products from Canon.

53. Defendants unlawfully advertised, marketed, offered, and sold products bearing counterfeit versions of the Canon Trademarks with the intent and likelihood of causing customer confusion, mistake, and deception as to the products' source, origin, and authenticity. Specifically, Defendants intended customers to believe, incorrectly, that the products originated

² For the First Claim only, Canon refers only to Canon Kabushiki Kaisha.

1 from, were affiliated with, and/or were authorized by Canon and likely caused such erroneous
2 customer beliefs.

3 54. As a result of Defendants' wrongful conduct, Canon is entitled to recover its
4 actual damages, Defendants' profits attributable to the infringement, and treble damages and
5 attorneys' fees pursuant to 15 U.S.C. § 1117(a) and (b). Alternatively, Canon is entitled to
6 statutory damages under 15 U.S.C. § 1117(c).

7 55. Canon is further entitled to injunctive relief, including an order impounding all
8 infringing products and promotional materials in Defendants' possession. Canon has no adequate
9 remedy at law for Defendants' wrongful conduct because, among other things: (a) the Canon
10 Trademarks are unique and valuable properties that have no readily determinable market value;
11 (b) Defendants' infringement constitutes harm to Canon and Canon's reputation and goodwill
12 such that Canon could not be made whole by any monetary award; (c) if Defendants' wrongful
13 conduct is allowed to continue, the public is likely to become further confused, mistaken, or
14 deceived as to the source, origin, or authenticity of the infringing materials; and (d) the resulting
15 harm to Canon, due to Defendants' wrongful conduct is likely to be continuing.

16 **SECOND CLAIM**

17 *(by Canon against all Defendants)*

18 **False Designation of Origin and False Advertising – 15 U.S.C. § 1125(a)**

19 56. Plaintiff Canon incorporates by reference the allegations of the preceding
20 paragraphs as though set forth herein.

21 57. Canon owns the Canon Trademarks, and advertises, markets, offers, distributes,
22 and sells its products using those trademarks described above and uses the trademarks to
23 distinguish its products from the products and related items of others in the same or related
24 fields.

25 58. Because of Canon's long, continuous, and exclusive use of the Canon
26 Trademarks, they have come to mean, and are understood by customers, end users, and the
27 public, to signify products from Canon.

1 59. Defendants' wrongful conduct includes the infringement of the Canon
2 Trademarks in connection with Defendants' commercial advertising or promotion, and offering
3 for sale and sale, of counterfeit Canon products in interstate commerce.

4 60. In advertising, marketing, offering, distributing, and selling products bearing
5 counterfeit versions of the Canon Trademarks, Defendants have used, and on information and
6 belief continue to use, the trademarks referenced above to compete unfairly with Canon and to
7 deceive customers. Upon information and belief, Defendants' wrongful conduct misleads and
8 confuses customers and the public as to the origin and authenticity of the goods and services
9 advertised, marketed, offered, distributed, or sold in connection with the Canon Trademarks and
10 wrongfully trades upon Canon's goodwill and business reputation.

11 61. Defendants' conduct constitutes (a) false designation of origin, (b) false or
12 misleading description, and (c) false or misleading representation that products originate from or
13 are authorized by Canon, all in violation of 15 U.S.C. § 1125(a)(1)(A).

14 62. Defendants' conduct also constitutes willful false statements in connection with
15 goods and/or services distributed in interstate commerce in violation of 15 U.S.C.
16 § 1125(a)(1)(B).

17 63. Canon is entitled to an injunction against Defendants, their officers, agents,
18 representatives, servants, employees, successors and assigns, and all other persons in active
19 concert or participation with them, as set forth in the Prayer for Relief below. Defendants' acts
20 have caused irreparable injury to Canon. On information and belief, that injury is continuing. An
21 award of monetary damages cannot fully compensate Canon for its injuries, and Canon lacks an
22 adequate remedy at law.

23 64. Canon is further entitled to recover Defendants' profits, Canon's damages for its
24 losses, and Canon's costs to investigate and remediate Defendants' conduct and bring this action,
25 including its attorneys' fees, in an amount to be determined. Canon is also entitled to the trebling
26 of any damages award as allowed by law.
27

THIRD CLAIM

(by Amazon against all Defendants)

False Designation of Origin and False Advertising – 15 U.S.C. § 1125(a)

65. Plaintiff Amazon incorporates by reference the allegations of the preceding paragraphs as though set forth herein.

66. Amazon's reputation for trustworthiness is at the heart of its relationship with customers. Defendants' actions in selling counterfeits pose a threat to Amazon's reputation because they undermine and jeopardize customer trust in the Amazon Store.

67. Specifically, Defendants deceived Amazon and its customers about the authenticity of the products they were advertising, marketing, offering, distributing, and selling, in direct and willful violation of the BSA and Amazon's Anti-Counterfeiting Policies. Defendants' deceptive acts were material to Amazon's decision to allow Defendants to sell their products in the Amazon Store because Amazon would not have allowed Defendants to do so but for their deceptive acts.

68. In advertising, marketing, offering, distributing, and selling counterfeit Canon products in the Amazon Store, Defendants made false and misleading statements of fact about the origin, sponsorship, or approval of those products in violation of 15 U.S.C. § 1125(a)(1)(A).

69. Defendants' acts also constitute willful false statements in connection with goods and/or services distributed in interstate commerce in violation of 15 U.S.C. § 1125(a)(1)(B).

70. As described above, Defendants, through their illegal acts, have willfully deceived Amazon and its customers, jeopardized the trust that customers place in the Amazon Store, tarnished Amazon's brand and reputation, and harmed Amazon and its customers. Defendants' misconduct has also caused Amazon to expend significant resources to investigate and combat Defendants' wrongdoing and to bring this lawsuit to prevent Defendants from causing further harm to Amazon and its customers. Defendants' illegal acts have caused irreparable injury to Amazon and, on information and belief, that injury is ongoing at least to the extent that Defendants continue to establish selling accounts under different or false identities.

1 An award of monetary damages alone cannot fully compensate Amazon for its injuries, and thus
 2 Amazon lacks an adequate remedy at law.

3 71. Amazon is entitled to an injunction against Defendants, their officers, agents,
 4 representatives, servants, employees, successors and assigns, and all other persons in active
 5 concert or participation with them, as set forth in the Prayer for Relief below, along with its
 6 attorneys' fees and costs in investigating and bringing this lawsuit.

7 72. With regards to the **Schedule 1A** Defendants, Amazon is also entitled to recover
 8 its damages arising from **Schedule 1A** Defendants' sale of counterfeit products in the Amazon
 9 Store.

10 **FOURTH CLAIM**

11 *(by Canon and Amazon against all Defendants)*

13 73. Plaintiffs incorporate by reference the allegations of the preceding paragraphs as
 14 though set forth herein.

15 74. Defendants' advertising, marketing, offering, distribution, and sale of counterfeit
 16 Canon products constitute an unfair method of competition and unfair and deceptive acts or
 17 practices in the conduct of trade or commerce, in violation of RCW 19.86.020.

18 75. Defendants' advertising, marketing, offering, distribution, and sale of counterfeit
 19 Canon products harm the public interest by deceiving customers about the authenticity, origins,
 20 and sponsorship of the products.

21 76. Defendants' advertising, marketing, offering, distribution, and sale of counterfeit
 22 Canon products directly and proximately causes harm to and tarnish Plaintiffs' reputations and

FIFTH CLAIM

(by *Amazon.com Services LLC*³ against Defendants in Schedule 1A)
Breach of Contract

78. Plaintiff Amazon incorporates by reference the allegations of the preceding paragraphs as though set forth herein.

79. Defendants established Amazon Selling Accounts and entered into Amazon's BSA, a binding and enforceable contract between Defendants and Amazon. Defendants also contractually agreed to be bound by the policies incorporated by reference into the BSA, including Amazon's Anti-Counterfeiting Policy and other policies as maintained on the Amazon seller website.

80. Amazon performed all obligations required of it under the terms of the contract with Defendants or was excused from doing so.

81. Defendants' sale and distribution of counterfeit Canon products materially breached the BSA and the Anti-Counterfeiting Policy in numerous ways. Among other things, Defendants' conduct constitutes infringement and misuse of the IP rights of Canon.

82. In furtherance of their sale and distribution of counterfeit Canon products, certain Defendants further breached the BSA and its incorporated policies by submitting falsified documents to Amazon in order to obtain approval to sell the products in the Amazon Store, and submitted falsified documents to Amazon again after their Selling Accounts were suspended in an effort to have their Accounts reinstated.

83. Defendants' breaches have caused significant harm to Amazon, and Amazon is entitled to damages in an amount to be determined.

VI. PRAYER FOR RELIEF

WHEREFORE, Plaintiffs respectfully pray for the following relief:

A. That the Court enter an order permanently enjoining Defendants, their officers, agents, representatives, servants, employees, successors, and assigns, and all others in active concert or participation with them, from:

Amazon Services Business Solutions Agreement

The version of this Agreement in English is the definitive legal version. A translation into [Chinese](#) is available for your ease of reference.

General Terms

Welcome to Amazon Services Business Solutions, a suite of optional services for sellers including: [Selling on Amazon](#), [Fulfillment by Amazon](#), [Amazon Advertising](#), [Transaction Processing Services](#), and the [Selling Partner API](#).

THIS AMAZON SERVICES BUSINESS SOLUTIONS AGREEMENT (THE "AGREEMENT") CONTAINS THE TERMS AND CONDITIONS THAT GOVERN YOUR ACCESS TO AND USE OF THE SERVICES AND IS AN AGREEMENT BETWEEN YOU OR THE BUSINESS YOU REPRESENT AND AMAZON. BY REGISTERING FOR OR USING THE SERVICES, YOU (ON BEHALF OF YOURSELF OR THE BUSINESS YOU REPRESENT) AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT, INCLUDING THE SERVICE TERMS AND PROGRAM POLICIES THAT APPLY FOR EACH COUNTRY FOR WHICH YOU REGISTER OR ELECT TO USE A SERVICE (IN EACH CASE, THE "ELECTED COUNTRY").

As used in this Agreement, "we," "us," and "Amazon" means the applicable Amazon Contracting Party and any of its applicable Affiliates, and "you" means the applicant (if registering for or using a Service as an individual), or the business employing the applicant (if registering for or using a Service as a business) and any of its Affiliates. Capitalized terms have the meanings given to them in this Agreement. If there is any conflict between these General Terms and the applicable Service Terms and Program Policies, the General Terms will govern and the applicable Service Terms will prevail over the Program Policies.

1. Enrollment.

To begin the enrollment process, you must complete the registration process for one or more of the Services. Use of the Services is limited to parties that can lawfully enter into and form contracts under applicable Law (for example, the Elected Country may not allow minors to use the Services). As part of the application, you must provide us with your (or your business') legal name, address, phone number and e-mail address, as well as any other information we may request. Any personal data you provide to us will be handled in accordance with Amazon's [Privacy Notice](#).

2. Service Fee Payments; Receipt of Sales Proceeds.

Fee details are described in the applicable Service Terms and Program Policies. You are responsible for all of your expenses in connection with this Agreement. To use a Service, you must provide us with valid credit card information from a credit card or credit cards acceptable by Amazon ("Your Credit Card") as well as valid bank account information for a bank account or bank accounts acceptable by Amazon (conditions for acceptance may be modified or discontinued by us at any time without notice) ("Your Bank Account"). You will use only a name you are authorized to use in connection with a Service and will update all of the information you provide to us in connection with the Services as necessary to ensure that it at all times remains accurate, complete, and valid. You authorize us (and will provide us documentation evidencing your authorization upon our request) to verify your information (including any updated information), to obtain credit reports about you from time to time, to obtain credit authorizations from the issuer of Your Credit Card,

and to charge Your Credit Card or debit Your Bank Account for any sums payable by you to us (in reimbursement or otherwise). All payments to you will be remitted to Your Bank Account through a banking network or by other means specified by us.

If we determine that your actions or performance may result in returns, chargebacks, claims, disputes, violations of our terms or policies, or other risks to Amazon or third parties, then we may in our sole discretion withhold any payments to you for as long as we determine any related risks to Amazon or third parties persist. For any amounts that we determine you owe us, we may (a) charge Your Credit Card or any other payment instrument you provide to us; (b) offset any amounts that are payable by you to us (in reimbursement or otherwise) against any payments we may make to you or amounts we may owe you; (c) invoice you for amounts due to us, in which case you will pay the invoiced amounts upon receipt; (d) reverse any credits to Your Bank Account; or (e) collect payment or reimbursement from you by any other lawful means. If we determine that your account has been used to engage in deceptive, fraudulent, or illegal activity, or to repeatedly violate our Program Policies, then we may in our sole discretion permanently withhold any payments to you. Except as provided otherwise, all amounts contemplated in this Agreement will be expressed and displayed in the Local Currency, and all payments contemplated by this Agreement will be made in the Local Currency.

In addition, we may require that you pay other amounts to secure the performance of your obligations under this Agreement or to mitigate the risk of returns, chargebacks, claims, disputes, violations of our terms or policies, or other risks to Amazon or third parties. These amounts may be refundable or nonrefundable in the manner we determine, and failure to comply with terms of this Agreement, including any applicable Program Policies, may result in their forfeiture.

As a security measure, we may, but are not required to, impose transaction limits on some or all customers and sellers relating to the value of any transaction or disbursement, the cumulative value of all transactions or disbursements during a period of time, or the number of transactions per day or other period of time. We will not be liable to you: (i) if we do not proceed with a transaction or disbursement that would exceed any limit established by us for a security reason, or (ii) if we permit a customer to withdraw from a transaction because an Amazon Site or Service is unavailable following the commencement of a transaction.

3. Term and Termination.

The term of this Agreement will start on the date of your completed registration for use of a Service and continue until terminated by us or you as provided below. You may at any time terminate your use of any Service immediately on notice to us via Seller Central, email, the Contact Us form, or similar means. We may terminate your use of any Services or terminate this Agreement for convenience with 30 days' advance notice. We may suspend or terminate your use of any Services immediately if we determine that (a) you have materially breached the Agreement and failed to cure within 7 days of a cure notice unless your breach exposes us to liability toward a third party, in which case we are entitled to reduce, or waive, the aforementioned cure period at our reasonable discretion; (b) your account has been, or our controls identify that it may be used for deceptive or fraudulent, or illegal activity; or (c) your use of the Services has harmed, or our controls identify that it might harm, other sellers, customers, or Amazon's legitimate interests. We will promptly notify you of any such termination or suspension via email or similar means including Seller Central, indicating the reason and any options to appeal, except where we have reason to believe that providing this information will hinder the investigation or prevention of deceptive, fraudulent, or illegal activity, or will enable you to circumvent our safeguards. On termination of this Agreement, all related rights and obligations under this Agreement immediately terminate, except that (d) you will remain responsible for performing all of your obligations in connection with transactions entered into before termination and for any liabilities that accrued before or as a result of termination, and (e) Sections 2, 3, 4, 5, 6, 7, 8, 9, 11, 14, 15, and 18 of these General Terms survive.

4. License.

You grant us a royalty-free, non-exclusive, worldwide right and license for the duration of your original and derivative intellectual property rights to use any and all of Your Materials for the Services or other Amazon product or service, and to sublicense the foregoing rights to our Affiliates and operators of Amazon Associated Properties; provided, however, that we will not alter any of Your Trademarks from the form provided by you (except to re-size trademarks to the extent necessary for presentation, so long as the relative proportions of such trademarks remain the same) and will comply with your removal requests as to specific uses of Your Materials (provided you are unable to do so using standard functionality made available to you via the applicable Amazon Site or Service); provided further, however, that nothing in this Agreement will prevent or impair our right to use Your Materials without your consent to the extent that such use is allowable without a license from you or your Affiliates under applicable Law (e.g., fair use under United States copyright law, referential use under trademark law, or valid license from a third party).

5. Representations.

Each party represents and warrants that: (a) if it is a business, it is duly organized, validly existing and in good standing under the Laws of the country in which the business is registered and that you are registering for the Service(s) within such country; (b) it has all requisite right, power, and authority to enter into this Agreement, perform its obligations, and grant the rights, licenses, and authorizations in this Agreement; (c) any information provided or made available by one party to the other party or its Affiliates is at all times accurate and complete; (d) it is not subject to sanctions or otherwise designated on any list of prohibited or restricted parties or owned or controlled by such a party, including but not limited to the lists maintained by the United Nations Security Council, the US Government (e.g., the US Department of Treasury's Specially Designated Nationals list and Foreign Sanctions Evaders list and the US Department of Commerce's Entity List), the European Union or its member states, or other applicable government authority; and (e) it will comply with all applicable Laws in performance of its obligations and exercise of its rights under this Agreement.

6. Indemnification.

6.1 Your indemnification obligations. You will defend, indemnify, and hold harmless Amazon, and our officers, directors, employees, and agents, against any third-party claim, loss, damage, settlement, cost, expense, or other liability (including, without limitation, attorneys' fees) (each, a "Claim") arising from or related to (a) your non-compliance with applicable Laws; (b) Your Products, including the offer, sale, fulfillment (except to the extent attributable to the FBA service), refund, cancellation, return, or adjustments thereof, Your Materials, any actual or alleged infringement of any Intellectual Property Rights by any of the foregoing, and any personal injury, death (to the extent the injury or death is not caused by Amazon), or property damage related thereto; (c) Your Taxes and duties or the collection, payment, or failure to collect or pay Your Taxes or duties, or the failure to meet tax registration obligations or duties; or (d) actual or alleged breach of any representations you have made.

6.2 Amazon's indemnification obligations. Amazon will defend, indemnify, and hold harmless you and your officers, directors, employees, and agents against any third-party Claim arising from or related to: (a) Amazon's non-compliance with applicable Laws; or (b) allegations that the operation of an Amazon store infringes or misappropriates that third party's intellectual property rights.

6.3 Process. If any indemnified Claim might adversely affect us, we may, to the extent permitted by applicable Law, voluntarily intervene in the proceedings at our expense. No party may consent to the entry of any judgment or enter into any settlement of an indemnified Claim without the prior written consent of the other party, which may not be unreasonably withheld; except that a party may settle any claim that is exclusively directed at and exclusively affects that party.

7. Disclaimer & General Release.

a. THE AMAZON SITES AND THE SERVICES, INCLUDING ALL CONTENT, SOFTWARE, FUNCTIONS, MATERIALS, AND INFORMATION MADE AVAILABLE ON OR PROVIDED IN CONNECTION WITH THE SERVICES, ARE PROVIDED "AS-IS." AS A USER OF THE SERVICES, YOU USE THE AMAZON SITES, THE SERVICES, AND SELLER CENTRAL AT YOUR OWN RISK. EXCEPT THOSE SET FORTH IN SECTION

5 ABOVE, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, WE AND OUR AFFILIATES DISCLAIM: (i) ANY REPRESENTATIONS OR WARRANTIES REGARDING THIS AGREEMENT, THE SERVICES OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT; (ii) IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE; AND (iii) ANY OBLIGATION, LIABILITY, RIGHT, CLAIM, OR REMEDY IN TORT, WHETHER OR NOT ARISING FROM OUR NEGLIGENCE. WE DO NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE AMAZON SITES AND THE SERVICES WILL MEET YOUR REQUIREMENTS OR BE AVAILABLE, TIMELY, SECURE, UNINTERRUPTED, OR ERROR FREE, AND WE WILL NOT BE LIABLE FOR ANY SERVICE INTERRUPTIONS, INCLUDING BUT NOT LIMITED TO SYSTEM FAILURES OR OTHER INTERRUPTIONS THAT MAY AFFECT THE RECEIPT, PROCESSING, ACCEPTANCE, COMPLETION, OR SETTLEMENT OF ANY TRANSACTIONS.

b. BECAUSE AMAZON IS NOT INVOLVED IN TRANSACTIONS BETWEEN CUSTOMERS AND SELLERS OR OTHER PARTICIPANT DEALINGS, IF A DISPUTE ARISES BETWEEN ONE OR MORE PARTICIPANTS, EACH PARTICIPANT RELEASES AMAZON (AND ITS AGENTS AND EMPLOYEES) FROM CLAIMS, DEMANDS, AND DAMAGES (ACTUAL AND CONSEQUENTIAL) OF EVERY KIND AND NATURE, KNOWN AND UNKNOWN, SUSPECTED AND UNSUSPECTED, DISCLOSED AND UNDISCLOSED, ARISING OUT OF OR IN ANY WAY CONNECTED WITH SUCH DISPUTES.

8. Limitation of Liability.

We WILL NOT BE LIABLE (WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, PRODUCT LIABILITY, OR OTHER THEORY), OR OTHERWISE) TO YOU OR ANY OTHER PERSON FOR COST OF COVER, RECOVERY, OR RECOUPMENT OF ANY INVESTMENT MADE BY YOU OR YOUR AFFILIATES IN CONNECTION WITH THIS AGREEMENT, OR FOR ANY LOSS OF PROFIT, REVENUE, BUSINESS, OR DATA OR PUNITIVE OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT, EVEN IF AMAZON HAS BEEN ADVISED OF THE POSSIBILITY OF THOSE COSTS OR DAMAGES. FURTHER, OUR AGGREGATE LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED WILL NOT EXCEED AT ANY TIME THE TOTAL AMOUNTS DURING THE PRIOR SIX MONTH PERIOD PAID BY YOU TO AMAZON IN CONNECTION WITH THE PARTICULAR SERVICE GIVING RISE TO THE CLAIM.

9. Insurance.

If the gross proceeds from Your Transactions exceed the applicable Insurance Threshold during each month over any period of three (3) consecutive months, or otherwise if requested by us, then within thirty (30) days thereafter, you will maintain at your expense throughout the remainder of the Term for each applicable Elected Country commercial general, umbrella or excess liability insurance with the Insurance Limits per occurrence and in aggregate covering liabilities caused by or occurring in conjunction with the operation of your business, including products, products/completed operations and bodily injury, with policy(ies) naming Amazon and its assignees as additional insureds. At our request, you will provide to us certificates of insurance for the coverage to the following address: c/o Amazon, P.O. Box 81226, Seattle, WA 98108-1226, Attention: Risk Management.

10. Tax Matters.

As between the parties, you will be responsible for the collection, reporting, and payment of any and all of Your Taxes, except to the extent that (i) Amazon automatically calculates, collects, or remits taxes on your behalf according to applicable law; or (ii) Amazon expressly agrees to receive taxes or other transaction-based charges on your behalf in connection with tax calculation services made available by Amazon and used by you. You agree to and will comply with the [Tax Policies](#). All fees and payments payable by you to Amazon under this Agreement or the applicable Service Terms are exclusive of any applicable taxes, deductions or withholding (including but not limited to cross-border withholding taxes), and you will be responsible for paying Amazon any of Your Taxes imposed on such fees and any deduction or withholding required on any payment.

11. Confidentiality and Personal Data.

FEEDBACK

During the course of your use of the Services, you may receive Confidential Information. You agree that for the term of the Agreement and 5 years after termination: (a) all Confidential Information will remain Amazon's exclusive property; (b) you will use Confidential Information only as is reasonably necessary for your participation in the Services; (c) you will not otherwise disclose Confidential Information to any other Person except as required to comply with the Law; (d) you will take all reasonable measures to protect the Confidential Information against any use or disclosure that is not expressly permitted in this Agreement; and (e) you will retain Confidential Information only for so long as its use is necessary for participation in the Services or to fulfill your statutory obligations (e.g. tax) and in all cases will delete such information upon termination or as soon as no longer required for the fulfillment of statutory obligations. The foregoing sentence does not restrict your right to share Confidential Information with a governmental entity that has jurisdiction over you, provided that you limit the disclosure to the minimum necessary and explicitly indicate the confidential nature of the shared information to the governmental entity. You may not issue any press release or make any public statement related to the Services, or use our name, trademarks, or logo, in any way (including in promotional material) without our advance written permission, or misrepresent or embellish the relationship between us in any way. You may only use the "Available at Amazon" badge as defined in and according to the [Trademark Usage Guidelines](#) available in Seller Central; you may not use our name, trademarks, or logos in any way (including in promotional material) not covered by the Trademark Usage Guidelines without our advance written permission.

Generally, you may not use customer personal data in any way inconsistent with applicable Law. You must keep customer personal data confidential at all times (the above 5 years' term limit does not apply to customer personal data).

12. Force Majeure.

We will not be liable for any delay or failure to perform any of our obligations under this Agreement by reasons, events or other matters beyond our reasonable control.

13. Relationship of Parties.

Subject to the Transaction Processing Service Terms (if the Elected Country for a Service is the United States), you and we are independent contractors, and nothing in this Agreement will create any partnership, joint venture, agency, franchise, sales representative, or employment relationship between us. You will have no authority to make or accept any offers or representations on our behalf. This Agreement will not create an exclusive relationship between you and us. Nothing expressed or mentioned in or implied from this Agreement is intended or will be construed to give to any person other than the parties to this Agreement any legal or equitable right, remedy, or claim under or in respect to this Agreement. This Agreement and all of the representations, warranties, covenants, conditions, and provisions in this Agreement are intended to be and are for the sole and exclusive benefit of Amazon, you, and customers. As between you and us, you will be solely responsible for all obligations associated with the use of any third party service or feature that you permit us to use on your behalf, including compliance with any applicable terms of use. You will not make any statement, whether on your site or otherwise, that would contradict anything in this section.

14. Suggestions and Other Information.

If you or any of your Affiliates elect to provide or make available suggestions, comments, ideas, improvements, or other feedback or materials to us in connection with or related to any Amazon Site or Service (including any related Technology), we will be free to use, disclose, reproduce, modify, license, transfer and otherwise distribute, and exploit any of the foregoing information or materials in any manner. In order to cooperate with governmental requests, to protect our systems and customers, or to ensure the integrity and operation of our business and systems, we may access and disclose any information we consider necessary or appropriate, including but not limited to user contact details, IP addresses and traffic information, usage history, and posted content. If we make suggestions on using the Services, you are responsible for any actions you take based on our suggestions.

15. Modification.

15.1. We will provide at least 15 days' advance notice in accordance with Section 18 for changes to the Agreement.

15.2 However, we may change or modify the Agreement at any time with immediate effect (a) for legal, regulatory, fraud and abuse prevention, or security reasons; (b) to change existing features or add additional features to the Services (where this does not materially adversely affect your use of the Services); or (c) to restrict products or activities that we deem unsafe, inappropriate, or offensive. We will notify you about any change or modification in accordance with Section 18.

15.3 Your continued use of the Services after the effective date of any change to this Agreement in accordance with this Section 15 will constitute your acceptance of that change. If any change is unacceptable to you, you agree not to use the Services and to end the Agreement as described in Section 3.

16. Password Security.

Any password we provide to you may be used only during the Term to access Seller Central (or other tools we provide, as applicable) to use the Services, electronically accept Your Transactions, and review your completed transactions. You are solely responsible for maintaining the security of your password. You may not disclose your password to any third party (other than third parties authorized by you to use your account in accordance with this Agreement) and are solely responsible for any use of or action taken under your password. If your password is compromised, you must immediately change your password.

17. Export.

You will not directly or indirectly export, re-export, transmit, or cause to be exported, re-exported or transmitted, any commodities, software or technology to any country, individual, corporation, organization, or entity to which such export, re-export, or transmission is restricted or prohibited, including any country, individual, corporation, organization, or entity under sanctions or embargoes administered by the United Nations, US Departments of State, Treasury or Commerce, the European Union, or any other applicable government authority.

18. Miscellaneous.

The Governing Laws will govern this Agreement, without reference to rules governing choice of laws or the Convention on Contracts for the International Sale of Goods. If the Elected Country is the United States, Canada, or Mexico, **Amazon and you both consent that any dispute with Amazon or its Affiliates or claim relating in any way to this Agreement or your use of the Services will be resolved by binding arbitration as described in this paragraph, rather than in court**, except that (i) you may assert claims in a small claims court that is a Governing Court if your claims qualify and (ii) you or we may bring suit in the Governing Courts, submitting to the jurisdiction of the Governing Courts and waiving our respective rights to any other jurisdiction, to enjoin infringement or other misuse of intellectual property rights. **There is no judge or jury in arbitration, and court review of an arbitration award is limited. However, an arbitrator can award on an individual basis the same damages and relief as a court (including injunctive and declaratory relief or statutory damages), and must follow the terms of this Agreement as a court would.** Before you may begin an arbitration proceeding, you must send a letter requesting arbitration and describing your claim to our registered agent, CSC Services of Nevada, Inc., 112 N Curry Street, Carson City, NV 89703. The arbitration will be conducted by the American Arbitration Association (AAA) under its commercial rules. Payment of all filing, administration and arbitrator fees will be governed by the AAA's rules. We will reimburse those fees for claims totaling less than \$10,000 unless the arbitrator determines the claims are frivolous. The expedited procedures of the AAA's rules will apply only in cases seeking exclusively monetary relief under \$50,000, and in such cases the hearing will be scheduled to take place within 90 days of the arbitrator's appointment. Likewise, Amazon will not seek attorneys' fees and costs from you in arbitration unless the arbitrator determines the claims are frivolous. You may choose to have the arbitration conducted by telephone, based on written submissions, or in person at a mutually agreed location. Amazon

and you each agree that any dispute resolution proceedings will be conducted only on an individual basis and not in a class, consolidated or representative action. If for any reason a claim proceeds in court rather than in arbitration Amazon and you each waive any right to a jury trial.

You may not assign this Agreement, by operation of law or otherwise, without our prior written consent. Any attempt to assign or otherwise transfer in violation of this section is void; provided, however, that upon notice to Amazon, you may assign or transfer this Agreement, in whole or in part, to any of your Affiliates as long as you remain liable for your obligations that arose prior to the effective date of the assignment or transfer under this Agreement. You agree that we may assign or transfer our rights and obligations under this Agreement: (a) in connection with a merger, consolidation, acquisition or sale of all or substantially all of our assets or similar transaction; or (b) to any Affiliate or as part of a corporate reorganization; and effective upon such assignment, the assignee is deemed substituted for Amazon as the party to this Agreement. Subject to that restriction, this Agreement will be binding on, inure to, and be enforceable against the parties and their respective successors and assigns. We may perform any of our obligations or exercise any of our rights under this Agreement through one or more of our Affiliates. Amazon retains the right to immediately halt any of Your Transactions, prevent or restrict access to the Services or take any other action to restrict access to or availability of any inaccurate listing, any inappropriately categorized items, any unlawful items, or any items otherwise prohibited by applicable Program Policies. Because Amazon is not your agent (except for the limited purpose set out in the Transaction Processing Service Terms (if the Elected Country for a Service is the United States)), or the customer's agent for any purpose, Amazon will not act as either party's agent in connection with resolving any disputes between participants related to or arising out of any transaction.

Amazon will provide notice to you under this Agreement by posting changes to Seller Central or to the applicable Amazon Services site to which the changes relate (such as the Developer Site accessible through your account), by sending you an email notification, or by similar means. You must send all notices and other communications relating to Amazon to our Selling Partner Support team via Seller Central, email, the Contact Us form, or similar means. We may also communicate with you electronically and in other media, and you consent to such communications. You may change your e-mail addresses and certain other information in Seller Central, as applicable. You will ensure that all of your information is up to date and accurate at all times.

If any provision of this Agreement is deemed unlawful, void, or for any reason unenforceable, then that provision will be deemed severable from these terms and conditions and will not affect the validity and enforceability of any remaining provisions. If the Elected Country is Canada, then it is the express wish of the parties that this Agreement and the applicable Service Terms and Program Policies have been drafted in English. (The following is a French translation of the preceding sentence: Si le pays de service est le Canada, les parties conviennent que la présente autorisation et tous les termes et conditions applicables s'y rattachant soient rédigés en anglais.) We may make available translations to this Agreement and the applicable Service Terms and Program Policies, but the English version will control. This Agreement represents the entire agreement between the parties with respect to the Services and related subject matter and supersedes any previous or contemporaneous oral or written agreements and understandings.

For sellers that registered after October 30, 2011 and are on the Individual selling plan, the remittance amount will not include Sales Proceeds from the 14-day period before the date of remittance. If you refund money to a customer in connection with one of Your Transactions, and the refund is routed through us (or our Affiliate), on the next available Remittance Calculation Date we will refund to you the amount of the Referral Fee paid by you to us attributable to the amount of the customer refund (including refunded taxes and customs duties only to the extent specified in the applicable [Tax Policies](#)), less the Refund Administration Fee for each of Your Products refunded that is not a BMVD Product, which amount we may retain as an administrative fee; provided, however, that in the case of a complete refund of Sales Proceeds for a Media Product, we will refund to you the full amount of any Variable Closing Fee paid by you to us (and in the case of a partial refund of Sales Proceeds for a Media Product, we will not refund to you any portion of any Variable Closing Fee paid by you to us). If we provide you with the estimated shipping costs prior to shipment, you acknowledge and agree that actual shipping costs may vary from such estimates. In addition, if the weight of the Unit, as determined by the applicable carrier, differs from that submitted by you to us for purposes of determining the estimated shipping costs, then: (a) you may be charged more than the estimated shipping costs if the carrier determines that such Unit weighs more than as submitted by you; or (b) you may be charged the full amount of the estimated shipping costs even if the carrier determines the weight to be less than that submitted by you. You will not use carrier account information (e.g., carrier account number, amount of shipping rates, etc.) for any purpose, nor disclose such information to any third party, and you will protect such information as Amazon's confidential information in accordance with Section 11 of the General Terms of this Agreement. As between you, us, and the applicable carrier, you will be the shipper of record, and we will make payment to the carrier with respect to the shipment of all Units using such discounted rates. Title and risk of loss for any Unit shipped using discounted rates provided by us under this Section will remain with you, and our provision of such shipping rates will not create any liability or responsibility for us with respect to any delay, damage, or loss incurred during shipment. You authorize the applicable carrier to provide us with all shipment tracking information.

F-3.4 If you ship Units from outside the applicable Elected Country to fulfillment centers, you will list yourself as the importer/consignee and nominate a customs broker. If Amazon is listed on any import documentation, Amazon reserves the right to refuse to accept the Units covered by the import documents and any costs assessed against or incurred by Amazon will be collected from Your Bank Account, deducted from amounts payable to you, or by other method at our election.

F-4 Storage

We will provide storage services as described in these FBA Service Terms once we confirm receipt of delivery. We will keep electronic records that track inventory of Units by identifying the number of Units stored in any fulfillment center. We will not be required to physically mark or segregate Units from other inventory units (e.g., products with the same Amazon standard identification number) owned by us, our Affiliates or third parties in the applicable fulfillment center(s). If we elect to commingle Units with such other inventory units, both parties agree that our records will be sufficient to identify which products are Units. We may move Units among facilities. If there is a loss of or damage to any Units while they are being stored, we will, compensate you in accordance with the [FBA Guidelines](#), and you will, at our request, provide us a valid tax invoice for the compensation paid to you. If we compensate you for a Unit, we will be entitled to dispose of the Unit pursuant to [Section F-7](#). At all other times, you will be solely responsible for any loss of, or damage to, any Units. Our confirmed receipt of delivery does not: (a) indicate or imply that any Unit has been delivered free of loss or damage, or that any loss or damage to any Unit later discovered occurred after confirmed receipt of delivery; (b) indicate or imply that we actually received the number of Units of Your Product(s) specified by you for such shipment; or (c) waive, limit, or reduce any of our rights under this Agreement. We reserve the right to change scheduling restrictions and volume limitations on the delivery and storage of your inventory in fulfillment centers in accordance with Section 15 of the General Terms, and you will comply with any of these restrictions or limitations.

F-5 Fulfillment

As part of our fulfillment services, we will ship Units from our inventory of Your Products to the shipping addresses in the Elected Country included in valid customer orders, or submitted by you as part of a Fulfillment Request. We may ship Units together with products purchased from other merchants, including any of our Affiliates. We also may ship Units separately that are included in a

single Fulfillment Request. If you participate in our export fulfillment services, we will also ship Your Products that we determine to be eligible (each, a "**Foreign-Eligible Product**") to Foreign Addresses within countries we determine to be eligible for foreign shipments, subject to the additional terms on foreign shipments in the applicable [FBA Guidelines](#).

F-6 Customer Returns

F-6.1 You will be responsible for and will accept and process returns of, and provide refunds and adjustments for, any Multi-Channel Fulfillment Units in accordance with the Agreement (including the applicable Program Policies).

F-6.2 We will receive and process returns of any Amazon Fulfillment Units that were shipped to addresses within the Elected Country in accordance with the terms of your Seller Agreement, these FBA Service Terms, and the Program Policies. Any Sellable Units that are also Amazon Fulfillment Units and that are properly returned will be placed back into the inventory of Your Products in the FBA Program. We may fulfill customer orders for Your Products with any returned Amazon Fulfillment Units. Except as provided in [Section F-7](#), you will retake title of all Units that are returned by customers.

F-6.3 Subject to [Section F-7](#), we will, at your direction, either return or dispose of any Unit that is returned to us by a customer and that we determine is an Unsuitable Unit.

F-6.4 If Amazon receives a customer return of a Multi-Channel Fulfillment Unit, you will direct us to return or dispose of the Unit at your own cost failing which we may dispose of the Unit as provided in [Section F-7](#).

F-7 Returns to You and Disposal

F-7.1 You may, at any time, request that Units be returned to you or that we dispose of Units.

F-7.2 We may with notice return Units to you, including upon termination of these FBA Service Terms. Returned Units will be sent to your designated shipping address. However, if (a) the designated shipping address we have for you is outdated or incorrect, (b) you have not provided or, upon our request, confirmed a designated shipping address in the Elected Country, or (c) we cannot make arrangements for you to pay for the return shipment, then the Unit(s) will be deemed abandoned and we may elect to dispose of them as appropriate based on the inventory (e.g., by selling, recycling, donating, or destroying it) and retain any proceeds we may receive from the disposal.

We may dispose of any Unsuitable Unit (and you will be deemed to have consented to our action): (d) immediately if we determine that (i) the Unit creates a safety, health, or liability risk to Amazon, our personnel, or any third party; (ii) you have engaged in fraudulent or illegal activity; or (iii) we have cause to terminate your use of Services with immediate effect pursuant to Section 3 and are exposed to liability towards a third party; (e) if you fail to direct us to return or dispose of any Unsuitable Unit within thirty (30) days after we notify you that the Unit has been recalled; or (f) if you fail to direct us to return or dispose of any Unsuitable Unit within thirty (30) days (or as otherwise specified in the applicable Program Policies) after we notify you that its removal is required, for instance because your use of FBA is suspended or terminated or your seller account is suspended, terminated or closed. In addition, you will reimburse us for expenses we incur in connection with any Unsuitable Units.

F-7.3 You may, at any time, request that we dispose of Units. In this case, we may dispose of these Units as appropriate based on the inventory (e.g., by selling, recycling, donating, or destroying it) and retain any proceeds we may receive from the disposal. Title to each disposed Unit will transfer to us (or a third party we select such as a charity) at no cost, free and clear of any liens, claims, security interests or other encumbrances to the extent required to dispose of the Unit, and we may retain any proceeds, we may receive from the disposal.

F-7.4 You will promptly notify us of any recalls or potential recalls, or safety alerts of any of Your Products and cooperate and assist us in connection with any recalls or safety alerts, including by initiating the procedures for returning items to you under our standard processes. You will be responsible for all costs and expenses you, we or any of our or your Affiliates incur in connection with any recall or potential recall or safety alerts of any of Your Products (including the costs to return, store, repair, liquidate, or deliver to you or any vendor any of these products).

F-8 Customer Service

F-8.1 For Multi-Channel Fulfillment Units we will have no customer service obligations other than to pass any inquiries to your attention at the contact you provide, and to make available a reasonable amount of information regarding the status of the fulfillment of Your Products if you request it and if and to the extent we possess the requested information. You will ensure that all of your policies and messaging to your customers regarding shipping of Your Products and other fulfillment-related matters, reflect our policies and requirements, including with regard to shipping methods, returns, and customer service; and, you will conspicuously display on your website(s), in emails or in other media or communications any specific disclosures, messaging, notices, and policies we require.

F-8.2 We will be responsible for all customer service issues relating to packaging, handling and shipment, and customer returns, refunds, and adjustments related to Amazon Fulfillment Units. We will determine whether a customer will receive a refund, adjustment or replacement for any Amazon Fulfillment Unit and we will require you to reimburse us where we determine you have responsibility in accordance with the Agreement (including these FBA Service Terms and the Program Policies). We will promptly notify you when you are responsible for a customer refund. You may appeal if you disagree with our finding within thirty (30) days after our notification, in addition to your right to request that Units be returned to you under Section F-7.1. Except as provided in this [Section F-8](#) regarding any Amazon Fulfillment Units, customer service will be handled in accordance with your Seller Agreement.

F-8.3 In situations relating to Amazon Fulfillment Units where the wrong item was delivered or the item was damaged or lost or is missing, unless we determine that the basis for such request is caused by you or any of your employees, agents, or contractors, we will, at our option: (a) for any Amazon Fulfillment Unit, (i) ship a replacement Unit to the customer and reimburse you in accordance with the [FBA Guidelines](#) for the replacement Unit, or (ii) process a refund to the customer and reimburse you in accordance with the FBA Guidelines for the Unit; or (b) for any Multi-Channel Fulfillment Unit, reimburse you in accordance with the FBA Guidelines for the Unit (and you will, at our request, provide us a valid tax invoice for the compensation paid to you). Any customer refund will be processed in accordance with the Selling on Amazon and the Transaction Processing Service Terms (if the Elected Country for a Service is the United States). Notwithstanding the Selling on Amazon Service Terms, we will be entitled to retain the applicable fees payable to us under the Selling on Amazon Service Terms and these FBA Service Terms, respectively. Except as expressly provided in this Section F-8.3, you will be responsible for all costs associated with any replacement or return.

F-8.4 If we provide a replacement Unit or refund as described in [Section F-8.3](#) to a customer and that customer returns the original Unit to us, we will be entitled to dispose of the Unit pursuant to [Section F-7](#), or, if it is a Sellable Unit, we may, at our option, place such Unit back into your inventory in accordance with [Section F-6](#). If we do put a Unit back into your inventory, you will reimburse us for the applicable Replacement Value (as described in the FBA Guidelines) of the returned Unit. Any replacement Unit shipped by us under these FBA Service Terms will be deemed to be, and will be treated in the same manner as, an order and sale of such Unit from you to the customer via the applicable Amazon Site or Service in accordance with, and subject to, the terms and conditions of this Agreement and your Seller Agreement.

F-9 Compensation for Fulfillment Services

F-9.1 Handling and Storage Fees. You will pay us the applicable fees described in the applicable Fulfillment by Amazon [Fee Schedule](#). You will be charged the Storage Fees beginning on the day (up to midnight) that the Unit arrives at a fulfillment center and is available for fulfillment by Amazon (or in the case of any Unsuitable Unit, the arrival day (up to midnight)), until the earlier of: (a) the day (up to midnight) we receive a valid customer order for such product or a request from you to return or dispose of the Unit; or (b) the day (up to midnight) we actually ship the Unit to your designated return location or dispose of the Unit.

F-9.2 Shipping and Gift Wrap. For any Amazon Fulfillment Units we will determine the amounts charged to the customer for shipping and gift wrap services for the Units that we fulfill through the FBA Program. As between you and us, these charges will be your charges to the customer, and we will report them to you. We will charge you (and you will pay us) a fee equal to the amount of such charges to the customer. In the case of shipments of Units sold through the Amazon Site that qualify for the "Free Shipping" promotion, the amounts charged to the customer for shipping the Selling on Amazon Units that Amazon fulfills will first be charged to the customer and will next be deducted from the total charges to the customer as your promotion and Amazon will not charge you the fee described above. If you ship Units to us using the shipping rates that we may make available pursuant to [Section F-3.3](#), you will reimburse us for the actual amounts charged to us by the applicable carrier for such shipments.

F-9.3 Proceeds. We may as appropriate keep part of or all proceeds of any Units that we are entitled to dispose of pursuant to F-7 above, or to which title transfers, including returned, damaged, or abandoned Units. You will have no security interest, lien, or other claim to the proceeds that we receive in connection with the sale, fulfillment, and/or shipment of these Units.

F-10 Indemnity

In addition to your obligations under [Section 6](#) of the General Terms of this Agreement, you also agree to indemnify, defend, and hold harmless us, our Affiliates, and our and their respective officers, directors, employees, representatives, and agents against any Claim that arises from or relates to: (a) the Units (whether or not title has transferred to us, and including any Unit that we identify as yours pursuant to [Section F-4](#)), including any personal injury, death, or property damage; (b) any of Your Taxes or the collection, payment, or failure to collect or pay Your Taxes; and, if applicable (c) any sales, use, value added, personal property, gross receipts, excise, franchise, business, or other taxes or fees, or any customs, duties, or similar assessments (including penalties, fines, or interest on any of the foregoing) imposed by any government or other taxing authority in connection with the shipment of Foreign-Eligible Products to Foreign Addresses (collectively, "Foreign Shipment Taxes").

F-11 Release

You, on behalf of yourself and any successors, subsidiaries, Affiliates, officers, directors, shareholders, employees, assigns, and any other person or entity claiming by, through, under, or in concert with them (collectively, the "Releasing Parties"), irrevocably acknowledge full and complete satisfaction of and unconditionally and irrevocably release and forever fully discharge Amazon and each of our Affiliates, and any and all of our and their predecessors, successors, and Affiliates, past and present, as well as each of our and their partners, officers, directors, shareholders, agents, employees, representatives, attorneys, and assigns, past and present, and each of them and all Persons acting by, through, under, or in concert with any of them (collectively, the "Released Parties"), from any and all claims, obligations, demands, causes of action, suits, damages, losses, debts, or rights of any kind or nature, whether known or unknown, suspected or unsuspected, absolute or contingent, accrued or unaccrued, determined or speculative (collectively, "Losses") which the Releasing Parties now own or hold or at any time have owned or held or in the future may hold or own against the Released Parties, or any of them, arising out of, resulting from, or in any way related to the shipment, export, or delivery of Your Products to Foreign Addresses, including any tax registration or collection obligations. You, on behalf of yourself and all other Releasing Parties, recognize that you, and each of them, may have some Losses, whether in tort,

product liability, contract, warranty, or otherwise, against the Released Parties of which you, or any of them, are totally unaware and unsuspecting, or which may arise or accrue after the date you register for or use FBA, which the Releasing Parties are giving up by agreeing to these FBA Service Terms. It is your intention in agreeing to these FBA Service Terms that these FBA Service Terms will deprive the Releasing Parties of each and all such Losses and prevent the Releasing Party from asserting any such Losses against the Released Parties, or any of them. In addition to the foregoing, you acknowledge, on behalf of yourself and all other Releasing Parties that you are familiar with Section 1542 of the Civil Code of the State of California, as follows:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

You, on behalf of yourself and all other Releasing Parties, expressly waive and relinquish any rights that you had or may have under Section 1542 of the Civil Code of the State of California or any similar provision of the law of any other jurisdiction, to the full extent that you may lawfully waive all such rights pertaining to the subject matter of these FBA Service Terms.

F-12 Disclaimer

IN ADDITION TO THE DISCLAIMER IN SECTION 7 OF THE GENERAL TERMS OF THIS AGREEMENT, WE DISCLAIM ANY DUTIES OF A BAILEE OR WAREHOUSEMAN, AND YOU WAIVE ALL RIGHTS AND REMEDIES OF A BAILOR (WHETHER ARISING UNDER COMMON LAW OR STATUTE OR OTHERWISE), RELATED TO OR ARISING OUT OF ANY POSSESSION, STORAGE, OR SHIPMENT OF YOUR PRODUCTS BY US OR OUR AFFILIATES OR ANY OF OUR OR THEIR CONTRACTORS OR AGENTS.

F-13 Effect of Termination

Your termination rights are set forth in Section 3 of this Agreement. Following any termination of the Agreement or these FBA Service Terms in connection with a particular Elected Country, we will, as directed by you, return to you or dispose of the Units held in that Elected Country as provided in Section F-7. If you fail to direct us to return or dispose of the Units within thirty (30) days (or as otherwise specified in the applicable Program Policies) after termination, then we may elect to return and/or dispose of the Units in whole or in part, as provided in Section F-7, and you agree to such actions. Upon any termination of these FBA Service Terms in connection with a particular Elected Country, all rights and obligations of the parties under these FBA Service Terms in connection with such Elected Country will be extinguished, except that the rights and obligations of the parties under Sections F-1, F-2, F-3, F-4, F-5, F-6, F-7, F-8, F-9, F-11, F-12, and F-13 with respect to Units received or stored by Amazon as of the date of termination will survive the termination.

F-14 Tax Matters

You understand and acknowledge that storing Units at fulfillment centers may create tax nexus for you in any country, state, province, or other localities in which your Units are stored, and you will be solely responsible for any taxes owed as a result of such storage. If any Foreign Shipment Taxes or Your Taxes are assessed against us as a result of performing services for you in connection with the FBA Program or otherwise pursuant to these FBA Service Terms, you will be responsible for such Foreign Shipment Taxes and Your Taxes and you will indemnify and hold Amazon harmless from such Foreign Shipment Taxes and Your Taxes as provided in Section F-10 of these FBA Service Terms.

F-15 Additional Representation

In addition to your representations and warranties in Section 5 of the General Terms of this Agreement, you represent and warrant to us that: (a) you have valid legal title to all Units and all necessary rights to distribute the Units and to perform under these FBA Service Terms; (b) you will deliver all Units to us in new condition (or in such condition otherwise described by you in the

applicable Your Product listing) and in a merchantable condition; (c) all Units and their packaging will comply with all applicable marking, labeling, and other requirements required by Law; (d) no Unit is or will be produced or manufactured, in whole or in part, by child labor or by convict or forced labor; (e) you and all of your subcontractors, agents, and suppliers involved in producing or delivering Units will strictly adhere to all applicable Laws of the Elected Country, its territories, and all other countries where Units are produced or delivered, regarding the operation of their facilities and their business and labor practices, including working conditions, wages, hours, and minimum ages of workers; and (f) that all Foreign-Eligible Products (i) can be lawfully exported from Canada, Mexico, or the United States, as applicable, without any license or other authorization; and (ii) can be lawfully imported into, and comply with all applicable Laws of, any eligible country.

FBA Definitions

"Amazon Fulfillment Units" means Units fulfilled using FBA that are sold through an Amazon Site. "Unit" means a unit of Your Product that you deliver to Amazon in connection with the FBA Program.

"Unsuitable Unit" means a Unit: (a) that is defective, damaged, unfit for a particular purpose, or lacking required label(s); (b) the labels for which were not properly registered with Amazon before shipment or do not match the product that was registered; (c) that is an FBA Excluded Product or does not comply with the Agreement (including applicable Service Terms and Program Policies); (d) that Amazon determines is unsellable or unfulfillable; or (e) that Amazon determines is otherwise unsuitable.

Amazon Advertising Service Terms

The Amazon Advertising Service Terms govern your use of Amazon Advertising, a Service that allows you to advertise your products. The Amazon Advertising Service Terms apply to your use of the Ad Services.

Your use of the Ad Services (as defined in the Amazon Advertising Agreement) is governed by the Amazon Advertising Agreement. You accept the Amazon Advertising Agreement, which may be updated from time to time by Amazon in accordance with its terms. The Amazon Advertising Agreement is available at <https://advertising.amazon.com/terms>. In the event of any conflict between the General Terms or Program Policies and the Amazon Advertising Agreement with respect to the Ad Services, the Amazon Advertising Agreement will prevail to the extent of the conflict. If the Amazon Advertising Agreement is deemed unlawful, void, or for any reason unenforceable, then the General Terms will govern your access to and use of the Ad Services.

Transaction Processing Service Terms

BY REGISTERING FOR OR USING ANY SERVICE OTHER THAN AMAZON ADVERTISING FOR WHICH THE ELECTED COUNTRY IS THE UNITED STATES, YOU (ON BEHALF OF YOURSELF OR THE BUSINESS YOU REPRESENT) AGREE TO BE BOUND BY THESE TRANSACTION PROCESSING SERVICE TERMS FOR THAT SERVICE. **NOTWITHSTANDING THE FOREGOING, IF A SEPARATE AGREEMENT GOVERNS THE OFFER, SALE OR FULFILLMENT OF YOUR PRODUCTS ON THE US AMAZON SITE, THE TERMS OF THAT AGREEMENT WILL CONTINUE TO GOVERN THE PROCESSING OF YOUR TRANSACTIONS TO THE EXTENT DESCRIBED IN THAT AGREEMENT.**

P-1 Payments Processing Agency Appointment

For non-invoiced orders, you authorize Amazon Payments, Inc. to act as your agent for purposes of processing payments, refunds and adjustments for Your Transactions, receiving and holding Sales Proceeds on your behalf, remitting Sales Proceeds to Your Bank Account, charging your Credit Card, and paying Amazon and its Affiliates amounts you owe in accordance with this Agreement or other agreements you may have with Amazon Affiliates. For invoiced orders, you authorize: (a) Amazon Capital Services, Inc. to act as your agent for purposes of processing payments, refunds and adjustments for Your Transactions, and receiving and holding Sales Proceeds on your behalf; and (b) Amazon.com Services LLC to act as your agent for purposes of remitting Sales Proceeds to Your Bank Account, charging your Credit Card, and paying Amazon and its Affiliates amounts you owe in accordance with this Agreement or other agreements you may have with Amazon Affiliates.

Amazon Payments, Inc., Amazon Capital Services, Inc., and Amazon.com Services LLC are each an "Amazon Payments Agent". The applicable Amazon Payments Agents provide the services described in these Transaction Processing Service Terms and the related services described in Sections S-1.4, S-2.2, S-5, and F-8.3 of the Agreement (collectively, the "Transaction Processing Services").

When a buyer instructs us to pay you, you agree that the buyer authorizes and orders us to commit the buyer's payment (less any applicable fees or other amounts we may collect under this Agreement) to you. You agree that buyers satisfy their obligations to you for Your Transactions when we receive the Sales Proceeds. We will remit funds to you in accordance with this Agreement.

P-2 Remittance

Subject to Section 2 of the General Terms of this Agreement, the applicable Amazon Payments Agents will remit funds to you in accordance with Section S-5 of the Agreement and these Transaction Processing Service Terms. Each applicable Amazon Payments Agent's obligation to remit funds collected or received by it or otherwise credited to your available balance in connection with Your Transactions is limited to funds in your available balance that have become available in accordance with this Agreement less amounts owed to Amazon and any taxes that Amazon automatically calculates, collects and remits to a tax authority according to applicable law, as specified in the Tax Policies, subject to chargeback or reversal or withheld for anticipated claims in accordance with this Agreement. Without limiting Amazon's rights to collect any amounts you owe, the applicable Amazon Payments Agent's receipt of Sales Proceeds or crediting of Sales Proceeds to your available balance discharges your obligation to pay applicable fees and other amounts under this Agreement to the extent the Sales Proceeds received or credited equal or exceed the fees and

other amounts you owe and the Sales Proceeds are applied to the payment of those fees and amounts.

P-3 Your Funds

Your Sales Proceeds will be held in an account with the applicable Amazon Payments Agent (a "Seller Account") and will represent an unsecured claim against that Amazon Payments Agent. Your Sales Proceeds are not insured by the Federal Deposit Insurance Corporation, nor do you have any right or entitlement to collect Sales Proceeds directly from any customer. Prior to disbursing funds to you, an Amazon Payments Agent may combine Sales Proceeds held with the funds of other users of the Services, invest them, or use them for other purposes permitted by applicable Laws. You will not receive interest or any other earnings on any Sale Proceeds. To the extent required by applicable Laws, an Amazon Payments Agent will not use any funds held on your behalf for its corporate purposes, will not voluntarily make such funds available to its creditors in the event of bankruptcy or for any other purpose, and will not knowingly permit its creditors to attach such funds.

P-4 Verification

We may at any time require you to provide any financial, business or personal information we request to verify your identity. You authorize us to obtain from time to time consumer credit reports to establish or update your Seller Account or in the event of a dispute relating to this Agreement or the activity under your Seller Account. You agree to update all Seller Account information promptly upon any change. The [Amazon Payments Privacy Notice](#) applies to transactions processed by Amazon Payments, Inc.

P-5 Dormant Accounts

If there is no activity (as determined by us) in connection with your Seller Account for the period of time set forth in applicable unclaimed property laws and we hold Sales Proceeds on your behalf, we will notify you by means designated by us and provide you the option of keeping your Seller Account open and maintaining the Sales Proceeds in your Seller Account. If you do not respond to our notice(s) within the time period we specify, we will send the Sales Proceeds in your Seller Account to your state of residency, as determined by us based on the information in your Seller Account. If we are unable to determine your state of residency or your Seller Account is associated with a foreign country, your funds may be sent to the State of Delaware.

Selling Partner API Terms

API-1 Description of the Selling Partner APIs

The "Selling Partner APIs" enable your systems to interface with certain features or functionality we make available to you. These Selling Partner API Terms concern and apply only to your use of the Selling Partner APIs unless specifically provided otherwise. Under the Selling Partner API Terms, you may authorize parties who (a) develop Applications to support you using the Selling Partner APIs or the API Materials, (b) have registered with us as Developers, and (c) who have agreed to the Marketplace Developer Agreement ("Developers") to access Confidential Information and Your Materials via the Selling Partner APIs. If you wish to use the Selling Partner APIs directly or develop software or a website that interfaces with the Selling Partner APIs or the API Materials (an "Application"), you must register as a Developer.

We may make available Selling Partner APIs (including the Marketplace Web Services APIs) and software, data, text, audio, video, images, or other content we make available in connection with

the Selling Partner APIs, including related documentation, software libraries, and other supporting materials, regardless of format (collectively the "API Materials") that permit your systems to interface with certain features or functionality available to you. You may authorize Developers to access your Materials via the Selling Partner APIs solely for the purpose of supporting your business on Amazon. All terms and conditions applicable to the Selling Partner APIs and the API Materials in this Agreement are solely between you and us. API Materials that are public or open source software ("Public Software") may be provided to you under a separate license, in which case, notwithstanding any other provision of this Agreement, that license will govern your use of those API Materials. For the avoidance of doubt, except to the extent expressly prohibited by the license governing any API Materials that are Public Software, all of the non-license provisions of this Agreement will apply.

API-2 License and Related Requirements

API-2.1 Generally.

We grant you a limited, revocable, non-exclusive, non-sublicenseable, nontransferable license during the term of the Agreement to allow Developers to access and use Your Materials through the Selling Partner APIs and the API Materials solely in support of your use of the Services covered by this Agreement. As between you and us, we or our licensors own all right, title, and interest in and to the Selling Partner APIs, the API Materials, any technical and operational specifications, security protocols and other documentation or policies provided or made available by us with respect to the Selling Partner APIs or the API Materials (the "Selling Partner API Specifications"), and our internal data center facilities, servers, networking equipment, and host software systems that are within our or their reasonable control and are used to provide the Selling Partner APIs or the API Materials (the "Amazon Network").

API-2.2 License Restrictions.

You may authorize Developers to access your Materials through the Selling Partner APIs and the API Materials only through APIs documented and communicated by us in accordance with any applicable Selling Partner API Specifications. You may not and may not authorize any other party to do any of the following with the Selling Partner APIs and the API Materials: (a) reverse engineer, decompile, or disassemble them; (b) modify or create derivative works based upon them in whole or in part; (c) distribute copies of them; (d) remove any proprietary notices or labels on them; (e) use any Public Software in any manner that requires, pursuant to the license applicable to such Public Software, that the Selling Partner APIs and the API Materials be disclosed, licensed, distributed, or otherwise made available to anyone; (f) resell, lease, rent, transfer, sublicense, or otherwise transfer rights to them; (g) access or use them in a way intended to avoid incurring any applicable fees or exceeding usage limits or quotas; (h) access or use them for any purpose unrelated to your use of Services; or (i) access or use them for fraudulent or illegal activities or activities that violate our policies or are otherwise harmful to us or any third parties. The limitations regarding Data Use in Section 11 above apply to any information you receive by the direct or indirect use of the Selling Partner APIs.

API-2.3 No License for Direct Access.

For the avoidance of doubt, these Selling Partner API Terms do not provide you a license to directly access or use the Selling Partner APIs, or install, copy, use, or distribute API Materials. Direct use of the Selling Partner APIs may only be licensed to Developers.

API-2.4 Account Identifiers and Credentials.

You must use the account IDs and any unique public key/private key pair issued by us to provide access to your data via the Selling Partner APIs ("Account Identifiers and Credentials") in accordance with these Selling Partner API Terms to authorize Developers to access the Selling Partner APIs on your behalf. You may only authorize access to Confidential Information and Your Materials via the Selling Partner APIs in the way that we prescribe. Your Account Identifiers and Credentials are for your personal use only and you must maintain their secrecy and security. You are solely responsible for all activities that occur using your Account Identifiers and Credentials, regardless of whether the activities are undertaken by you or a third party (including your employees, contractors, or agents). You will provide us with notice immediately if you believe an unauthorized third party may be using your Account Identifiers and Credentials or if your Account Identifiers and Credentials are lost or stolen. We are not responsible for unauthorized use of your Account Identifiers and Credentials.

API-2.5 Security of Your Materials.

You are solely responsible for authorizing others to access the Selling Partner APIs on your behalf and taking your own steps to maintain appropriate security, protection, and backup of Your Materials. We are not responsible for any unauthorized access to, alteration of, or deletion, destruction, damage, loss, or failure to store any of Your Materials in connection with the Selling Partner APIs (including as a result of your or any third party's errors, acts, or omissions).

API-3 Termination

API-3.1 Termination of Your Access to the Selling Partner APIs and the API Materials.

Without limiting the parties' rights and obligations under this Agreement, the Amazon Marketplace Developer Agreement, or the Amazon Marketplace API License Agreement, we may limit, suspend, or terminate your access to the Selling Partner APIs and the API Materials for convenience with 30 days' notice. We may terminate immediately if (a) we determine that you have materially breached this Agreement and failed to cure within 7 days of a cure notice; (b) you or your account have been engaged in deceptive, fraudulent, or illegal activity; or (c) your use of the Selling Partner APIs and the API Materials may harm our customers.

Upon any suspension or termination of your access to the Selling Partner APIs and the API Materials, you will immediately cease authorizing others to use the Selling Partner APIs and the API Materials. Upon any termination of your access to the Selling Partner APIs and the API Materials, you will also immediately destroy all API Materials. Amazon Services Business Solutions Agreement

The version of this Agreement in English is the definitive legal version. A translation into [Chinese](#) is available for your ease of reference.

General Terms

Welcome to Amazon Services Business Solutions, a suite of optional services for sellers including: [Selling on Amazon](#), [Fulfillment by Amazon](#), [Amazon Advertising](#), [Transaction Processing Services](#), and the [Selling Partner API](#).

THIS AMAZON SERVICES BUSINESS SOLUTIONS AGREEMENT (THE "AGREEMENT") CONTAINS THE TERMS AND CONDITIONS THAT GOVERN YOUR ACCESS TO AND USE OF THE SERVICES AND IS AN AGREEMENT BETWEEN YOU OR THE BUSINESS YOU REPRESENT AND AMAZON. BY REGISTERING FOR OR USING THE SERVICES, YOU (ON BEHALF OF YOURSELF OR THE BUSINESS YOU REPRESENT) AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT, INCLUDING THE SERVICE TERMS AND PROGRAM POLICIES THAT APPLY FOR EACH COUNTRY FOR WHICH YOU REGISTER OR ELECT TO USE A SERVICE (IN EACH CASE, THE "ELECTED COUNTRY").

As used in this Agreement, "we," "us," and "Amazon" means the applicable Amazon Contracting Party and any of its applicable Affiliates, and "you" means the applicant (if registering for or using a Service as an individual), or the business employing the applicant (if registering for or using a Service as a business) and any of its Affiliates. Capitalized terms have the meanings given to them in this Agreement. If there is any conflict between these General Terms and the applicable Service Terms and Program Policies, the General Terms will govern and the applicable Service Terms will prevail over the Program Policies.

1. Enrollment.

To begin the enrollment process, you must complete the registration process for one or more of the Services. Use of the Services is limited to parties that can lawfully enter into and form contracts under applicable Law (for example, the Elected Country may not allow minors to use the Services). As part of the application, you must provide us with your (or your business') legal name, address, phone number and e-mail address, as well as any other information we may request. Any personal data you provide to us will be handled in accordance with Amazon's [Privacy Notice](#).

2. Service Fee Payments; Receipt of Sales Proceeds.

Fee details are described in the applicable Service Terms and Program Policies. You are responsible for all of your expenses in connection with this Agreement. To use a Service, you must provide us with valid credit card information from a credit card or credit cards acceptable by Amazon ("Your Credit Card") as well as valid bank account information for a bank account or bank accounts acceptable by Amazon (conditions for acceptance may be modified or discontinued by us at any time without notice) ("Your Bank Account"). You will use only a name you are authorized to use in connection with a Service and will update all of the information you provide to us in connection with the Services as necessary to ensure that it at all times remains accurate, complete, and valid. You authorize us (and will provide us documentation evidencing your authorization upon our request) to verify your information (including any updated information), to obtain credit reports about you from time to time, to obtain credit authorizations from the issuer of Your Credit Card, and to charge Your Credit Card or debit Your Bank Account for any sums payable by you to us (in reimbursement or otherwise). All payments to you will be remitted to Your Bank Account through a banking network or by other means specified by us.

If we determine that your actions or performance may result in returns, chargebacks, claims, disputes, violations of our terms or policies, or other risks to Amazon or third parties, then we may in our sole discretion withhold any payments to you for as long as we determine any related risks to Amazon or third parties persist. For any amounts that we determine you owe us, we may (a) charge Your Credit Card or any other payment instrument you provide to us; (b) offset any amounts that are payable by you to us (in reimbursement or otherwise) against any payments we may make to you or amounts we may owe you; (c) invoice you for amounts due to us, in which case you will pay the invoiced amounts upon receipt; (d) reverse any credits to Your Bank Account; or (e) collect payment or reimbursement from you by any other lawful means. If we determine that your account—or any other account you have operated—has been used to engage in deceptive, fraudulent, or illegal activity (including

the sale of counterfeit goods), or to repeatedly violate our Program Policies, then we may in our sole discretion permanently withhold any payments to you. Except as provided otherwise, all amounts contemplated in this Agreement will be expressed and displayed in the Local Currency, and all payments contemplated by this Agreement will be made in the Local Currency.

In addition, we may require that you pay other amounts to secure the performance of your obligations under this Agreement or to mitigate the risk of returns, chargebacks, claims, disputes, violations of our terms or policies, or other risks to Amazon or third parties. These amounts may be refundable or nonrefundable in the manner we determine, and failure to comply with terms of this Agreement, including any applicable Program Policies, may result in their forfeiture.

As a security measure, we may, but are not required to, impose transaction limits on some or all customers and sellers relating to the value of any transaction or disbursement, the cumulative value of all transactions or disbursements during a period of time, or the number of transactions per day or other period of time. We will not be liable to you: (i) if we do not proceed with a transaction or disbursement that would exceed any limit established by us for a security reason, or (ii) if we permit a customer to withdraw from a transaction because an Amazon Site or Service is unavailable following the commencement of a transaction.

3. Term and Termination.

The term of this Agreement will start on the date of your completed registration for use of a Service and continue until terminated by us or you as provided below. You may at any time terminate your account or this Agreement immediately on notice to us via Seller Central, email, the Contact Us form, or similar means. We may terminate your account or this Agreement for convenience with 30 days' advance notice. We may suspend or terminate your account or this Agreement immediately if we determine that (a) you have materially breached the Agreement and failed to cure within 7 days of a cure notice unless your breach exposes us to liability toward a third party, in which case we are entitled to reduce, or waive, the aforementioned cure period at our reasonable discretion; (b) your account has been, or our controls identify that it may be used for deceptive or fraudulent, or illegal activity; (c) your use of the Services has harmed, or our controls identify that it might harm, other sellers, customers, or Amazon's legitimate interests; or (d) your [Account Health Rating](#) falls below our published threshold(s) for deactivation. We will promptly notify you of any such termination or suspension via email or similar means including Seller Central, indicating the reason and any options to appeal, except where we

have reason to believe that providing this information will hinder the investigation or prevention of deceptive, fraudulent, or illegal activity, or will enable you to circumvent our safeguards. On termination of this Agreement, all related rights and obligations under this Agreement immediately terminate, except that (d) you will remain responsible for performing all of your obligations in connection with transactions entered into before termination and for any liabilities that accrued before or as a result of termination, and (e) Sections 2, 3, 4, 5, 6, 7, 8, 9, 11, 14, 15, and 18 of these General Terms survive.

4. License.

You grant us a royalty-free, non-exclusive, worldwide right and license for the duration of your original and derivative intellectual property rights to use any and all of Your Materials for the Services or other Amazon product or service, and to sublicense the foregoing rights to our Associates and operators of Amazon Associated Properties; provided, however, that we will not alter any of Your Trademarks from the form provided by you (except to re-size trademarks to the extent necessary for presentation, so long as the relative proportions of such trademarks remain the same) and will comply with your removal requests as to specific uses of Your Materials (provided you are unable to do so using standard functionality made available to you via the applicable Amazon Site or Service); provided further, however, that nothing in this Agreement will prevent or impair our right to use Your Materials without your consent to the extent that such use is allowable without a license from you or your Associates under applicable Law (e.g., fair use under United States copyright law, referential use under trademark law, or valid license from a third party).

5. Representations.

Each party represents and warrants that: (a) if it is a business, it is duly organized, validly existing and in good standing under the Laws of the country in which the business is registered and that you are registering for the Service(s) within such country; (b) it has all requisite right, power, and authority to enter into this Agreement, perform its obligations, and grant the rights, licenses, and authorizations in this Agreement; (c) any information provided or made available by one party to the other party or its Associates is at all times accurate and complete; (d) it is not subject to sanctions or otherwise designated on any list of prohibited or restricted parties or owned or controlled by such a party, including but not limited to the lists maintained by the United Nations Security Council, the US Government (e.g., the US Department of Treasury's Specially Designated Nationals list and Foreign Sanctions Evaders list and the US Department of Commerce's Entity List), the European Union or its member states, or other applicable government authority; and (e) it will comply with all applicable Laws in performance of its obligations and exercise of its rights under this Agreement.

6. Indemnification.

6.1 Your indemnification obligations. You will defend, indemnify, and hold harmless Amazon, and our officers, directors, employees, and agents, against any third-party claim, loss, damage, settlement, cost, expense, or other liability (including, without limitation, attorneys' fees) (each, a "Claim") arising from or related to (a) your non-compliance with applicable Laws; (b) Your Products, including the offer, sale, fulfillment (except to the extent attributable to the FBA service), refund, cancellation, return, or adjustments thereof, Your Materials, any actual or alleged infringement of any Intellectual Property Rights by any of the foregoing, and any personal injury, death (to the extent the injury or death is not caused by Amazon), or property damage related thereto; (c) Your Taxes and duties or the collection, payment, or failure to collect or pay Your Taxes or duties, or the failure to meet tax registration obligations or duties; or (d) actual or alleged breach of any representations you have made.

6.2 Amazon's indemnification obligations. Amazon will defend, indemnify, and hold harmless you and your officers, directors, employees, and agents against any third-party Claim arising from or related to: (a) Amazon's non-compliance with applicable Laws; or (b) allegations that the operation of an Amazon Site infringes or misappropriates that third party's intellectual property rights.

6.3 Process. If any indemnified Claim might adversely affect us, we may, to the extent permitted by applicable Law, voluntarily intervene in the proceedings at our expense. No party may consent to the entry of any judgment or enter into any settlement of an indemnified Claim without the prior written consent of the other party, which may not be unreasonably withheld; except that a party may settle any claim that is exclusively directed at and exclusively affects that party.

7. Disclaimer & General Release.

a. THE AMAZON SITES AND THE SERVICES, INCLUDING ALL CONTENT, SOFTWARE, FUNCTIONS, MATERIALS, AND INFORMATION MADE AVAILABLE ON OR PROVIDED IN CONNECTION WITH THE SERVICES, ARE PROVIDED "AS-IS." AS A USER OF THE SERVICES, YOU USE THE AMAZON SITES, THE SERVICES, AND SELLER CENTRAL AT YOUR OWN RISK. EXCEPT THOSE SET FORTH IN SECTION 5 ABOVE, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, WE AND OUR AFFILIATES DISCLAIM: (i) ANY REPRESENTATIONS OR WARRANTIES REGARDING THIS AGREEMENT, THE SERVICES OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT; (ii) IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE; AND (iii) ANY OBLIGATION, LIABILITY, RIGHT, CLAIM, OR REMEDY IN TORT, WHETHER OR NOT

ARISING FROM OUR NEGLIGENCE. WE DO NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE AMAZON SITES AND THE SERVICES WILL MEET YOUR REQUIREMENTS OR BE AVAILABLE, TIMELY, SECURE, UNINTERRUPTED, OR ERROR FREE, AND WE WILL NOT BE LIABLE FOR ANY SERVICE INTERRUPTIONS, INCLUDING BUT NOT LIMITED TO SYSTEM FAILURES OR OTHER INTERRUPTIONS THAT MAY AFFECT THE RECEIPT, PROCESSING, ACCEPTANCE, COMPLETION, OR SETTLEMENT OF ANY TRANSACTIONS.

b. BECAUSE AMAZON IS NOT INVOLVED IN TRANSACTIONS BETWEEN CUSTOMERS AND SELLERS OR OTHER PARTICIPANT DEALINGS, IF A DISPUTE ARISES BETWEEN ONE OR MORE PARTICIPANTS, EACH PARTICIPANT RELEASES AMAZON (AND ITS AGENTS AND EMPLOYEES) FROM CLAIMS, DEMANDS, AND DAMAGES (ACTUAL AND CONSEQUENTIAL) OF EVERY KIND AND NATURE, KNOWN AND UNKNOWN, SUSPECTED AND UNSUSPECTED, DISCLOSED AND UNDISCLOSED, ARISING OUT OF OR IN ANY WAY CONNECTED WITH SUCH DISPUTES.

8. Limitation of Liability.

WE WILL NOT BE LIABLE (WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, PRODUCT LIABILITY, OR OTHER THEORY), OR OTHERWISE) TO YOU OR ANY OTHER PERSON FOR COST OF COVER, RECOVERY, OR RECOUPMENT OF ANY INVESTMENT MADE BY YOU OR YOUR AFFILIATES IN CONNECTION WITH THIS AGREEMENT, OR FOR ANY LOSS OF PROFIT, REVENUE, BUSINESS, OR DATA OR PUNITIVE OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT, EVEN IF AMAZON HAS BEEN ADVISED OF THE POSSIBILITY OF THOSE COSTS OR DAMAGES. FURTHER, OUR AGGREGATE LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED WILL NOT EXCEED AT ANY TIME THE TOTAL AMOUNTS DURING THE PRIOR SIX MONTH PERIOD PAID BY YOU TO AMAZON IN CONNECTION WITH THE PARTICULAR SERVICE GIVING RISE TO THE CLAIM.

9. Insurance.

If the gross proceeds from Your Transactions exceed the applicable Insurance Threshold during any month if the Elected Country is the United States, or each month over any period of three (3) consecutive months if the Elected Country is Canada or Mexico, or otherwise if requested by us, then within thirty (30) days thereafter, you will maintain at your expense throughout the remainder of the Term for each applicable Elected Country commercial general, umbrella or excess liability insurance with the Insurance Limits per occurrence and in aggregate covering liabilities caused by or occurring in conjunction with the operation of your business, including products, products/completed operations and bodily

injury, with policy(ies) naming Amazon and its assignees as additional insureds. At our request, you will provide to us certificates of insurance, the full insurance policy, or other documents we may request for the coverage to the following address: c/o Amazon, P.O. Box 81226, Seattle, WA 98108-1226, Attention: Risk Management.

10. Tax Matters.

As between the parties, you will be responsible for the collection, reporting, and payment of any and all of Your Taxes, except to the extent that (i) Amazon automatically calculates, collects, or remits taxes on your behalf according to applicable law; or (ii) Amazon expressly agrees to receive taxes or other transaction-based charges on your behalf in connection with tax calculation services made available by Amazon and used by you. You agree to and will comply with the [Tax Policies](#). All fees and payments payable by you to Amazon under this Agreement or the applicable Service Terms are exclusive of any applicable taxes, deductions or withholding (including but not limited to cross-border withholding taxes), and you will be responsible for paying Amazon any of Your Taxes imposed on such fees and any deduction or withholding required on any payment.

11. Confidentiality and Personal Data.

During the course of your use of the Services, you may receive Confidential Information. You agree that for the term of the Agreement and 5 years after termination: (a) all Confidential Information will remain Amazon's exclusive property; (b) you will use Confidential Information only as is reasonably necessary for your participation in the Services; (c) you will not otherwise disclose Confidential Information to any other Person except as required to comply with the Law; (d) you will take all reasonable measures to protect the Confidential Information against any use or disclosure that is not expressly permitted in this Agreement; and (e) you will retain Confidential Information only for so long as its use is necessary for participation in the Services or to fulfill your statutory obligations (e.g. tax) and in all cases will delete such information upon termination or as soon as no longer required for the fulfillment of statutory obligations. The foregoing sentence does not restrict your right to share Confidential Information with a governmental entity that has jurisdiction over you, provided that you limit the disclosure to the minimum necessary and explicitly indicate the confidential nature of the shared information to the governmental entity. You may not issue any press release or make any public statement related to the Services, or use our name, trademarks, or logo, in any way (including in promotional material) without our advance written permission, or misrepresent or embellish the relationship between us in any way. You may only use the "Available at Amazon" badge as defined in and according to the

[Trademark Usage Guidelines](#) available in Seller Central; you may not use our name, trademarks, or logos in any way (including in promotional material) not covered by the Trademark Usage Guidelines without our advance written permission.

Generally, you may not use customer personal data in any way inconsistent with applicable Law. You must keep customer personal data confidential at all times (the above 5 years' term limit does not apply to customer personal data).

12. Force Majeure.

We will not be liable for any delay or failure to perform any of our obligations under this Agreement by reasons, events or other matters beyond our reasonable control.

13. Relationship of Parties.

Subject to the Transaction Processing Service Terms (if the Elected Country for a Service is the United States), you and we are independent contractors, and nothing in this Agreement will create any partnership, joint venture, agency, franchise, sales representative, or employment relationship between us. You will have no authority to make or accept any offers or representations on our behalf. This Agreement will not create an exclusive relationship between you and us. Nothing expressed or mentioned in or implied from this Agreement is intended or will be construed to give to any person other than the parties to this Agreement any legal or equitable right, remedy, or claim under or in respect to this Agreement. This Agreement and all of the representations, warranties, covenants, conditions, and provisions in this Agreement are intended to be and are for the sole and exclusive benefit of Amazon, you, and customers. As between you and us, you will be solely responsible for all obligations associated with the use of any third party service or feature that you permit us to use on your behalf, including compliance with any applicable terms of use. You will not make any statement, whether on your site or otherwise, that would contradict anything in this section.

14. Suggestions and Other Information.

If you or any of your Affiliates elect to provide or make available suggestions, comments, ideas, improvements, or other feedback or materials to us in connection with or related to any Amazon Site or Service (including any related Technology), we will be free to use, disclose, reproduce, modify, license, transfer and otherwise distribute, and exploit any of the foregoing information or materials in any manner. In order to cooperate with governmental requests, to protect our systems and customers, or to ensure the integrity and operation of

our business and systems, we may access and disclose any information we consider necessary or appropriate, including but not limited to user contact details, IP addresses and traffic information, usage history, and posted content. If we make suggestions on using the Services, you are responsible for any actions you take based on our suggestions.

15. Modification.

15.1. We will provide at least 15 days' advance notice in accordance with Section 18 for changes to the Agreement.

15.2 However, we may change or modify the Agreement at any time with immediate effect (a) for legal, regulatory, fraud and abuse prevention, or security reasons; (b) to change existing features or add additional features to the Services (where this does not materially adversely affect your use of the Services); or (c) to restrict products or activities that we deem unsafe, inappropriate, or offensive. We will notify you about any change or modification in accordance with Section 18.

15.3 Your continued use of the Services after the effective date of any change to this Agreement in accordance with this Section 15 will constitute your acceptance of that change. If any change is unacceptable to you, you agree not to use the Services and to end the Agreement as described in Section 3.

16. Password Security.

Any password we provide to you may be used only during the Term to access Seller Central (or other tools we provide, as applicable) to use the Services, electronically accept Your Transactions, and review your completed transactions. You are solely responsible for maintaining the security of your password. You may not disclose your password to any third party (other than third parties authorized by you to use your account in accordance with this Agreement) and are solely responsible for any use of or action taken under your password. If your password is compromised, you must immediately change your password.

17. Export.

You will not directly or indirectly export, re-export, transmit, or cause to be exported, re-exported or transmitted, any commodities, software or technology to any country, individual, corporation, organization, or entity to which such export, re-export, or transmission is restricted or prohibited, including any country, individual, corporation, organization, or entity under sanctions or embargoes administered by the United Nations, US Departments of State,

Treasury or Commerce, the European Union, or any other applicable government authority.

18. Miscellaneous.

The Governing Laws will govern this Agreement, without reference to rules governing choice of laws or the Convention on Contracts for the International Sale of Goods. If the Elected Country is the United States, Canada, or Mexico, Amazon and you both consent that any dispute with Amazon or its Affiliates or claim relating in any way to this Agreement or your use of the Services will be resolved by binding arbitration as described in this paragraph, rather than in court, except that (i) either party may elect to proceed in a small claims court that is a Governing Court if your claims qualify; (ii) you or we may bring suit in the Governing Courts, submitting to the jurisdiction of the Governing Courts and waiving our respective rights to any other jurisdiction, to enjoin infringement or other misuse of intellectual property rights; and (iii) we may bring any claims related to your sale of counterfeit products on the Amazon Site in the Governing Courts and seek any remedy available under law related to those claims. There is no judge or jury in arbitration, and court review of an arbitration award is limited. However, an arbitrator can award the same damages and relief as a court (including injunctive and declaratory relief or statutory damages), and must follow the terms of this Agreement as a court would. Before you may begin an arbitration proceeding, you must send a letter notifying us of your intent to pursue arbitration and describing your claim to our registered agent, CSC 300 Deschutes Way SW, Suite 208 MC-CSC1, Tumwater, WA 98501. The arbitration will be conducted by the American Arbitration Association (AAA) under its commercial rules. The expedited procedures of the AAA's rules will apply only in cases seeking exclusively monetary relief under \$50,000, and in such cases the hearing will be scheduled to take place within 90 days of the arbitrator's appointment. For all cases, the AAA commercial fee schedule governs the payment of all filing, administration and arbitrator fees. The underlying award in the arbitration may be appealed pursuant to the AAA's Optional Appellate Arbitration Rules. Amazon and you each agree that any dispute resolution proceedings will be conducted only on an individual basis and not in a class, consolidated or representative action. If for any reason a claim proceeds in court rather than in arbitration Amazon and you each waive any right to a jury trial.

You may not assign this Agreement, by operation of law or otherwise, without our prior written consent. Any attempt to assign or otherwise transfer in violation of this section is void; provided, however, that upon notice to Amazon, you may assign or transfer this Agreement, in whole or in part, to any of your Affiliates as long as you remain liable for your obligations that arose prior to the

effective date of the assignment or transfer under this Agreement. You agree that we may assign or transfer our rights and obligations under this Agreement: (a) in connection with a merger, consolidation, acquisition or sale of all or substantially all of our assets or similar transaction; or (b) to any Affiliate or as part of a corporate reorganization; and effective upon such assignment, the assignee is deemed substituted for Amazon as the party to this Agreement. Subject to that restriction, this Agreement will be binding on, inure to, and be enforceable against the parties and their respective successors and assigns. We may perform any of our obligations or exercise any of our rights under this Agreement through one or more of our Affiliates. Amazon retains the right to immediately halt any of Your Transactions, prevent or restrict access to the Services or take any other action to restrict access to or availability of any inaccurate listing, any inappropriately categorized items, any unlawful items, or any items otherwise prohibited by applicable Program Policies. Because Amazon is not your agent (except for the limited purpose set out in the Transaction Processing Service Terms (if the Elected Country for a Service is the United States)), or the customer's agent for any purpose, Amazon will not act as either party's agent in connection with resolving any disputes between participants related to or arising out of any transaction.

Amazon will provide notice to you under this Agreement by posting changes to Seller Central or to the applicable Amazon Services site to which the changes relate (such as the Developer Site accessible through your account), by sending you an email notification, or by similar means. You must send all notices and other communications relating to Amazon to our Selling Partner Support team via Seller Central, email, the Contact Us form, or similar means. We may also communicate with you electronically and in other media, and you consent to such communications. You may change your e-mail addresses and certain other information in Seller Central, as applicable. You will ensure that all of your information is up to date and accurate at all times.

If any provision of this Agreement is deemed unlawful, void, or for any reason unenforceable, then that provision will be deemed severable from these terms and conditions and will not affect the validity and enforceability of any remaining provisions. If the Elected Country is Canada, then it is the express wish of the parties that this Agreement and the applicable Service Terms and Program Policies have been drafted in English. (The following is a French translation of the preceding sentence: Si le pays de service est le Canada, les parties conviennent que la présente autorisation et tous les termes et conditions applicables s'y rattachant soient rédigés en anglais.) We may make available translations to this Agreement and the applicable Service Terms and Program Policies, but the English version will control. This Agreement represents the entire agreement between the parties with respect to the Services and related

subject matter and supersedes any previous or contemporaneous oral or written agreements and understandings.

S-5 Remittance of Sales Proceeds & Refunds.

Except as otherwise stated in this Agreement, we will remit to you your available balance on a bi-weekly (14 day) (or at our option, more frequent) basis, which may vary for each Elected Country. When you either initially provide or later change Your Bank Account information, the Remittance Calculation Date may be deferred by up to 14 days. For sellers that registered after October 30, 2011 and are on the Individual selling plan, the remittance amount will not include Sales Proceeds from the 14-day period before the date of remittance. If you refund money to a customer in connection with one of Your Transactions, and the refund is routed through us (or our Affiliate), on the next available Remittance Calculation Date we will refund to you the amount of the Referral Fee paid by you to us attributable to the amount of the customer refund (including refunded taxes and customs duties only to the extent specified in the applicable [Tax Policies](#)), less the Refund Administration Fee for each of Your Products refunded that is not a BMVD Product, which amount we may retain as an administrative fee; provided, however, that in the case of a complete refund of Sales Proceeds for a Media Product, we will refund to you the full amount of any Variable Closing Fee paid by you to us (and in the case of a partial refund of Sales Proceeds for a Media Product, we will not refund to you any portion of any Variable Closing Fee paid by you to us). Net Sales Proceeds from non-invoiced orders will be credited to your available balance when they are received by us or our Affiliates. Sales Proceeds from invoiced orders will be credited to your available balance: (a) if you have elected in advance to pay a fee to accelerate remittance of Sales Proceeds from invoiced orders, on the day all of Your Products included in an invoiced order are shipped; or (b) otherwise, no later than the seventh day following the date that an invoiced order becomes due.

These FBA Service Terms are part of the Agreement, and, unless specifically provided otherwise, concern and apply only to your participation in FBA. BY REGISTERING FOR OR USING FBA, YOU (ON BEHALF OF YOURSELF OR THE BUSINESS YOU REPRESENT) AGREE TO BE BOUND BY THE [AGREEMENT](#), INCLUDING THESE FBA SERVICE TERMS. You expressly agree that Amazon may engage its Affiliate(s) or a third party in order to complete one or more of the fulfillment and associated services outlined below.

Fulfillment Services

F-1 Your Products

Once you are accepted into FBA, you must apply to register each product you offer that you wish to include in the FBA program. We may refuse registration in FBA of any product, including on the basis that it is an FBA Excluded Product or that it violates applicable Program Policies. You may at any time withdraw registration of any of Your Products from FBA.

F-2 Product and Shipping Information

You will, in accordance with applicable Program Policies, provide accurate and complete information about Your Products registered in FBA, and will provide Fulfillment Requests for any Units fulfilled using FBA that are not sold through an Amazon Site ("Multi-Channel Fulfillment Units"). You will promptly update any information about Your Products in accordance with our requirements and as necessary so that the information is at all times accurate and complete.

F-3 Shipping to Amazon

F-3.1 Except as otherwise provided in [Section F-3.4](#) and [Section F-5](#), FBA is limited to Units that are shipped to and from fulfillment centers located within the applicable Elected Country, to be delivered to customers in the same Elected Country only. You will ship Units to us in accordance with applicable Program Policies. You will be responsible for all costs incurred to ship the Units to the shipping destination (including costs of freight and transit insurance) and Amazon will not pay any shipping costs. You are responsible for payment of all customs, duties, taxes, and other charges. In the case of any improperly packaged or labeled Unit, we may return the Unit to you at your expense (pursuant to [Section F-7](#)) or re-package or re-label the Unit and charge you an administrative fee.

F-3.2 You will not deliver to us any Unsuitable Unit; we may reject any shipment of Your Products.

F-3.3 We may, at our option, allow you to ship Units at your expense (as described in Section F-9.2) to fulfillment centers using discounted shipping rates that we may make available to you for certain carriers. In such event, you will use the processes and supply the information that we require for you to obtain such discounted rates. You also must comply with standard operating procedures, weight and size restrictions, and other shipping requirements of the applicable carriers. If we provide you with the estimated shipping costs prior to shipment, you acknowledge and agree that actual shipping costs may vary from such estimates. In addition, if the weight of the Unit, as determined by the applicable carrier, differs from that submitted by you to us for purposes of determining the estimated shipping costs, then: (a) you may be charged more than the estimated shipping costs if the carrier determines that such Unit weighs more than as submitted by you; or (b) you may be charged the full amount of the estimated shipping costs even if the carrier determines the weight to be less than that submitted by you. You will not use carrier account information (e.g., carrier account number, amount of shipping rates, etc.) for any purpose, nor disclose such information to any third party, and you will protect such information as Amazon's confidential information in accordance with Section 11 of the General Terms of this Agreement. As between you, us, and the applicable carrier, you will be the shipper of record, and we will make payment to the carrier with respect to the shipment of all Units using such discounted rates. Title and risk of loss for any Unit shipped using discounted rates provided by us under this Section will remain with you, and our provision of such shipping rates will not create any liability or responsibility for us with respect to any delay, damage, or loss incurred during shipment. You authorize the applicable carrier to provide us with all shipment tracking information.

F-3.4 If you ship Units from outside the applicable Elected Country to fulfillment centers, you will list yourself as the importer/consignee and nominate a customs broker. If Amazon is listed on any import documentation, Amazon reserves the right to refuse to accept the Units covered by the import documents and any costs assessed against or incurred by Amazon will be collected from Your Bank Account, deducted from amounts payable to you, or by other method at our election.

F-4 Storage

We will provide storage services as described in these FBA Service Terms once we confirm receipt of delivery. We will keep electronic records that track inventory of Units by identifying the number of Units stored in any fulfillment center. We will not be required to physically mark or segregate Units from other inventory units (e.g., products with the same Amazon standard identification number) owned by us, our Affiliates or third parties in the applicable fulfillment center(s). If we elect

to commingle Units with such other inventory units, both parties agree that our records will be sufficient to identify which products are Units. We may move Units among facilities. If there is a loss of or damage to any Units while they are being stored, we will, compensate you in accordance with the [FBA Guidelines](#), and you will, at our request, provide us a valid tax invoice for the compensation paid to you. If we compensate you for a Unit, we will be entitled to dispose of the Unit pursuant to [Section F-7](#). At all other times, you will be solely responsible for any loss of, or damage to, any Units. Our confirmed receipt of delivery does not: (a) indicate or imply that any Unit has been delivered free of loss or damage, or that any loss or damage to any Unit later discovered occurred after confirmed receipt of delivery; (b) indicate or imply that we actually received the number of Units of Your Product(s) specified by you for such shipment; or (c) waive, limit, or reduce any of our rights under this Agreement. We reserve the right to change scheduling restrictions and volume limitations on the delivery and storage of your inventory in fulfillment centers in accordance with Section 15 of the General Terms, and you will comply with any of these restrictions or limitations.

F-5 Fulfillment

As part of our fulfillment services, we will ship Units from our inventory of Your Products to the shipping addresses in the Elected Country included in valid customer orders, or submitted by you as part of a Fulfillment Request. We may ship Units together with products purchased from other merchants, including any of our Affiliates. We also may ship Units separately that are included in a single Fulfillment Request. If you participate in our export fulfillment services, we will also ship Your Products that we determine to be eligible (each, a "Foreign-Eligible Product") to Foreign Addresses within countries we determine to be eligible for foreign shipments, subject to the additional terms on foreign shipments in the applicable [FBA Guidelines](#).

F-6 Customer Returns

F-6.1 You will be responsible for and will accept and process returns of, and provide refunds and adjustments for, any Multi-Channel Fulfillment Units in accordance with the Agreement (including the applicable Program Policies).

F-6.2 We will receive and process returns of any Amazon Fulfillment Units that were shipped to addresses within the Elected Country in accordance with the terms of your Seller Agreement, these FBA Service Terms, and the Program Policies. Any Sellable Units that are also Amazon Fulfillment Units and that are properly returned will be placed back into the inventory of Your Products in the FBA Program. We may fulfill customer orders for Your Products with any

returned Amazon Fulfillment Units. Except as provided in Section F-7, you will retake title of all Units that are returned by customers.

F-6.3 Subject to Section F-7, we will, at your direction, either return or dispose of any Unit that is returned to us by a customer and that we determine is an Unsuitable Unit.

F-6.4 If Amazon receives a customer return of a Multi-Channel Fulfillment Unit, you will direct us to return or dispose of the Unit at your own cost failing which we may dispose of the Unit as provided in Section F-7.

F-7 Returns to You and Disposal

F-7.1 You may, at any time, request that Units be returned to you or that we dispose of Units.

F-7.2 We may with notice return Units to you, including upon termination of these FBA Service Terms. Returned Units will be sent to your designated shipping address. However, if (a) the designated shipping address we have for you is outdated or incorrect, (b) you have not provided or, upon our request, confirmed a designated shipping address in the Elected Country, or (c) we cannot make arrangements for you to pay for the return shipment, then the Unit(s) will be deemed abandoned and we may elect to dispose of them as appropriate based on the inventory (e.g., by selling, recycling, donating, or destroying it) and retain any proceeds we may receive from the disposal.

We may dispose of any Unsuitable Unit (and you will be deemed to have consented to our action): (d) immediately if we determine that (i) the Unit creates a safety, health, or liability risk to Amazon, our personnel, or any third party; (ii) you have engaged in fraudulent or illegal activity; or (iii) we have cause to terminate your use of Services with immediate effect pursuant to Section 3 and are exposed to liability towards a third party; (e) if you fail to direct us to return or dispose of any Unsuitable Unit within thirty (30) days after we notify you that the Unit has been recalled; or (f) if you fail to direct us to return or dispose of any Unsuitable Unit within thirty (30) days (or as otherwise specified in the applicable Program Policies) after we notify you that its removal is required, for instance because your use of FBA is suspended or terminated or your seller account is suspended, terminated or closed. In addition, you will reimburse us for expenses we incur in connection with any Unsuitable Units.

We may dispose of any Unit we are entitled to dispose of (including any Unsuitable Units) in the manner we deem appropriate (e.g., by selling, recycling,

donating, or destroying it) and retain any proceeds we may receive from the disposal.

F-7.3 You may, at any time, request that we dispose of Units. In this case, we may dispose of these Units as appropriate based on the inventory (e.g., by selling, recycling, donating, or destroying it) and retain any proceeds we may receive from the disposal. Title to each disposed Unit will transfer to us (or a third party we select such as a charity) at no cost, free and clear of any liens, claims, security interests or other encumbrances to the extent required to dispose of the Unit, and we may retain any proceeds, we may receive from the disposal.

F-7.4 You will promptly notify us of any recalls or potential recalls, or safety alerts of any of Your Products and cooperate and assist us in connection with any recalls or safety alerts, including by initiating the procedures for returning items to you under our standard processes. You will be responsible for all costs and expenses you, we or any of our or your Associates incur in connection with any recall or potential recall or safety alerts of any of Your Products (including the costs to return, store, repair, liquidate, or deliver to you or any vendor any of these products).

F-8 Customer Service

F-8.1 For Multi-Channel Fulfillment Units we will have no customer service obligations other than to pass any inquiries to your attention at the contact you provide, and to make available a reasonable amount of information regarding the status of the fulfillment of Your Products if you request it and if and to the extent we possess the requested information. You will ensure that all of your policies and messaging to your customers regarding shipping of Your Products and other fulfillment-related matters, reflect our policies and requirements, including with regard to shipping methods, returns, and customer service; and, you will conspicuously display on your website(s), in emails or in other media or communications any specific disclosures, messaging, notices, and policies we require.

F-8.2 We will be responsible for all customer service issues relating to packaging, handling and shipment, and customer returns, refunds, and adjustments related to Amazon Fulfillment Units. We will determine whether a customer will receive a refund, adjustment or replacement for any Amazon Fulfillment Unit and we will require you to reimburse us where we determine you have responsibility in accordance with the Agreement (including these FBA Service Terms and the Program Policies). We will promptly notify you when you are responsible for a customer refund. You may appeal if you disagree with our finding within thirty (30) days after our notification, in addition to your right to request that Units be

returned to you under Section F-7.1. Except as provided in this [Section F-8](#) regarding any Amazon Fulfillment Units, customer service will be handled in accordance with your Seller Agreement.

F-8.3 In situations relating to Amazon Fulfillment Units where the wrong item was delivered or the item was damaged or lost or is missing, unless we determine that the basis for such request is caused by you or any of your employees, agents, or contractors, we will, at our option: (a) for any Amazon Fulfillment Unit, (i) ship a replacement Unit to the customer and reimburse you in accordance with the [FBA Guidelines](#) for the replacement Unit, or (ii) process a refund to the customer and reimburse you in accordance with the FBA Guidelines for the Unit; or (b) for any Multi-Channel Fulfillment Unit, reimburse you in accordance with the FBA Guidelines for the Unit (and you will, at our request, provide us a valid tax invoice for the compensation paid to you). Any customer refund will be processed in accordance with the Selling on Amazon and the Transaction Processing Service Terms (if the Elected Country for a Service is the United States). Notwithstanding the Selling on Amazon Service Terms, we will be entitled to retain the applicable fees payable to us under the Selling on Amazon Service Terms and these FBA Service Terms, respectively. Except as expressly provided in this Section F-8.3, you will be responsible for all costs associated with any replacement or return.

F-8.4 If we provide a replacement Unit or refund as described in [Section F-8.3](#) to a customer and that customer returns the original Unit to us, we will be entitled to dispose of the Unit pursuant to [Section F-7](#), or, if it is a Sellable Unit, we may, at our option, place such Unit back into your inventory in accordance with [Section F-6](#). If we do put a Unit back into your inventory, you will reimburse us for the applicable Replacement Value (as described in the FBA Guidelines) of the returned Unit. Any replacement Unit shipped by us under these FBA Service Terms will be deemed to be, and will be treated in the same manner as, an order and sale of such Unit from you to the customer via the applicable Amazon Site or Service in accordance with, and subject to, the terms and conditions of this Agreement and your Seller Agreement.

F-9 Compensation for Fulfillment Services

F-9.1 Handling and Storage Fees. You will pay us the applicable fees described in the applicable Fulfillment by Amazon [Fee Schedule](#). You will be charged the Storage Fees beginning on the day (up to midnight) that the Unit arrives at a fulfillment center and is available for fulfillment by Amazon (or in the case of any Unsuitable Unit, the arrival day (up to midnight)), until the earlier of: (a) the day (up to midnight) we receive a valid customer order for such product or a request from you to return or dispose of the Unit; or (b) the day (up to midnight) we actually ship the Unit to your designated return location or dispose of the Unit.

F-9.2 Shipping and Gift Wrap. For any Amazon Fulfillment Units we will determine the amounts charged to the customer for shipping and gift wrap services for the Units that we fulfill through the FBA Program. As between you and us, these charges will be your charges to the customer, and we will report them to you. We will charge you (and you will pay us) a fee equal to the amount of such charges to the customer. In the case of shipments of Units sold through the Amazon Site that qualify for the "Free Shipping" promotion, the amounts charged to the customer for shipping the Selling on Amazon Units that Amazon fulfills will first be charged to the customer and will next be deducted from the total charges to the customer as your promotion and Amazon will not charge you the fee described above. If you ship Units to us using the shipping rates that we may make available pursuant to Section F-3.3, you will reimburse us for the actual amounts charged to us by the applicable carrier for such shipments.

F-9.3 Proceeds. We may as appropriate keep part of or all proceeds of any Units that we are entitled to dispose of pursuant to F-7 above, or to which title transfers, including returned, damaged, or abandoned Units. You will have no security interest, lien, or other claim to the proceeds that we receive in connection with the sale, fulfillment, and/or shipment of these Units.

F-10 Indemnity

In addition to your obligations under Section 6 of the General Terms of this Agreement, you also agree to indemnify, defend, and hold harmless us, our Affiliates, and our and their respective officers, directors, employees, representatives, and agents against any Claim that arises from or relates to: (a) the Units (whether or not title has transferred to us, and including any Unit that we identify as yours pursuant to Section F-4), including any personal injury, death, or property damage; (b) any of Your Taxes or the collection, payment, or failure to collect or pay Your Taxes; and, if applicable (c) any sales, use, value added, personal property, gross receipts, excise, franchise, business, or other taxes or fees, or any customs, duties, or similar assessments (including penalties, fines, or interest on any of the foregoing) imposed by any government or other taxing authority in connection with the shipment of Foreign-Eligible Products to Foreign Addresses (collectively, "Foreign Shipment Taxes").

F-11 Release

You, on behalf of yourself and any successors, subsidiaries, Affiliates, officers, directors, shareholders, employees, assigns, and any other person or entity claiming by, through, under, or in concert with them (collectively, the "Releasing Parties"), irrevocably acknowledge full and complete satisfaction of and unconditionally and irrevocably release and forever fully discharge Amazon and

each of our Affiliates, and any and all of our and their predecessors, successors, and Affiliates, past and present, as well as each of our and their partners, officers, directors, shareholders, agents, employees, representatives, attorneys, and assigns, past and present, and each of them and all Persons acting by, through, under, or in concert with any of them (collectively, the "Released Parties"), from any and all claims, obligations, demands, causes of action, suits, damages, losses, debts, or rights of any kind or nature, whether known or unknown, suspected or unsuspected, absolute or contingent, accrued or unaccrued, determined or speculative (collectively, "Losses") which the Releasing Parties now own or hold or at any time have owned or held or in the future may hold or own against the Released Parties, or any of them, arising out of, resulting from, or in any way related to the shipment, export, or delivery of Your Products to Foreign Addresses, including any tax registration or collection obligations. You, on behalf of yourself and all other Releasing Parties, recognize that you, and each of them, may have some Losses, whether in tort, product liability, contract, warranty, or otherwise, against the Released Parties of which you, or any of them, are totally unaware and unsuspecting, or which may arise or accrue after the date you register for or use FBA, which the Releasing Parties are giving up by agreeing to these FBA Service Terms. It is your intention in agreeing to these FBA Service Terms that these FBA Service Terms will deprive the Releasing Parties of each and all such Losses and prevent the Releasing Party from asserting any such Losses against the Released Parties, or any of them. In addition to the foregoing, you acknowledge, on behalf of yourself and all other Releasing Parties that you are familiar with Section 1542 of the Civil Code of the State of California, as follows:

"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

You, on behalf of yourself and all other Releasing Parties, expressly waive and relinquish any rights that you had or may have under Section 1542 of the Civil Code of the State of California or any similar provision of the law of any other jurisdiction, to the full extent that you may lawfully waive all such rights pertaining to the subject matter of these FBA Service Terms.

F-12 Disclaimer

IN ADDITION TO THE DISCLAIMER IN SECTION 7 OF THE GENERAL TERMS OF THIS AGREEMENT, WE DISCLAIM ANY DUTIES OF A BAILEE OR WAREHOUSEMAN, AND YOU WAIVE ALL RIGHTS AND REMEDIES OF A BAILOR (WHETHER ARISING UNDER COMMON LAW OR STATUTE OR OTHERWISE),

RELATED TO OR ARISING OUT OF ANY POSSESSION, STORAGE, OR SHIPMENT OF YOUR PRODUCTS BY US OR OUR AFFILIATES OR ANY OF OUR OR THEIR CONTRACTORS OR AGENTS.

F-13 Effect of Termination

Your termination rights are set forth in Section 3 of this Agreement. Following any termination of the Agreement or these FBA Service Terms in connection with a particular Elected Country, we will, as directed by you, return to you or dispose of the Units held in that Elected Country as provided in Section F-7. If you fail to direct us to return or dispose of the Units within thirty (30) days (or as otherwise specified in the applicable Program Policies) after termination, then we may elect to return and/or dispose of the Units in whole or in part, as provided in Section F-7, and you agree to such actions. Upon any termination of these FBA Service Terms in connection with a particular Elected Country, all rights and obligations of the parties under these FBA Service Terms in connection with such Elected Country will be extinguished, except that the rights and obligations of the parties under Sections F-1, F-2, F-3, F-4, F-5, F-6, F-7, F-8, F-9, F-11, F-12, and F-13 with respect to Units received or stored by Amazon as of the date of termination will survive the termination.

F-14 Tax Matters

You understand and acknowledge that storing Units at fulfillment centers may create tax nexus for you in any country, state, province, or other localities in which your Units are stored, and you will be solely responsible for any taxes owed as a result of such storage. If any Foreign Shipment Taxes or Your Taxes are assessed against us as a result of performing services for you in connection with the FBA Program or otherwise pursuant to these FBA Service Terms, you will be responsible for such Foreign Shipment Taxes and Your Taxes and you will indemnify and hold Amazon harmless from such Foreign Shipment Taxes and Your Taxes as provided in Section F-10 of these FBA Service Terms.

F-15 Additional Representation

In addition to your representations and warranties in Section 5 of the General Terms of this Agreement, you represent and warrant to us that: (a) you have valid legal title to all Units and all necessary rights to distribute the Units and to perform under these FBA Service Terms; (b) you will deliver all Units to us in new condition (or in such condition otherwise described by you in the applicable Your Product listing) and in a merchantable condition; (c) all Units and their packaging will comply with all applicable marking, labeling, and other requirements required by Law; (d) no Unit is or will be produced or manufactured, in whole or

in part, by child labor or by convict or forced labor; (e) you and all of your subcontractors, agents, and suppliers involved in producing or delivering Units will strictly adhere to all applicable Laws of the Elected Country, its territories, and all other countries where Units are produced or delivered, regarding the operation of their facilities and their business and labor practices, including working conditions, wages, hours, and minimum ages of workers; and (f) that all Foreign-Eligible Products (i) can be lawfully exported from Canada, Mexico, or the United States, as applicable, without any license or other authorization; and (ii) can be lawfully imported into, and comply with all applicable Laws of, any eligible country.

FBA Definitions

"Amazon Fulfillment Units" means Units fulfilled using FBA that are sold through an Amazon Site. For avoidance of doubt, if you have successfully registered for or used both the FBA and Selling on Amazon Services, then the term "Amazon Fulfillment Units" and the defined term "Amazon Fulfilled Products" in the Selling on Amazon Service Terms both refer to the same items.

"FBA Excluded Product" means any Unit that is an Excluded Product or is otherwise prohibited by the applicable [Program Policies](#).

"Foreign Address" means (a) if the Elected Country is the United States, any mailing address that is not (i) within the fifty states of the United States or Puerto Rico, or (ii) an APO/FPO address; and (b) if the Elected Country is not the United States, any mailing address that is not within the Elected Country.

"Fulfillment Request" means a request that you submit to us (in accordance with the standard methods for submission prescribed by us) to fulfill one or more Multi-Channel Fulfillment Units.

"Multi-Channel Fulfillment Units" has the meaning in [Section F-2](#).

"Sellable Unit" means a Unit that is not an Unsuitable Unit.

"Seller Agreement" means the Selling on Amazon Service Terms, the Merchants@ Program Agreement, the Marketplace Participation Agreement, any successor to any of these agreements, or any other similar agreement (as determined by Amazon) between you and us that permits you to offer products and services via a particular Amazon Site.

"Shipping Information" means with respect to any purchased Unit(s), the following information: the name of the recipient, the shipping address, the quantity of Units to be shipped, and any other shipping-related information we may reasonably request.

"Unit" means a unit of Your Product that you deliver to Amazon in connection with the FBA Program.

"Unsuitable Unit" means a Unit: (a) that is defective, damaged, unfit for a particular purpose, or lacking required label(s); (b) the labels for which were not properly registered with Amazon before shipment or do not match the product that was registered; (c) that is an FBA Excluded Product or does not comply with the Agreement (including applicable Service Terms and Program Policies); (d) that Amazon determines is unsellable or unfulfillable; or (e) that Amazon determines is otherwise unsuitable.

Amazon Advertising Service Terms

The Amazon Advertising Service Terms govern your use of Amazon Advertising, a Service that allows you to advertise your products. The Amazon Advertising Service Terms apply to your use of the Ad Services.

Your use of the Ad Services (as defined in the Amazon Advertising Agreement) is governed by the Amazon Advertising Agreement. You accept the Amazon Advertising Agreement, which may be updated from time to time by Amazon in accordance with its terms. The Amazon Advertising Agreement is available at <https://advertising.amazon.com/terms>. In the event of any conflict between the General Terms or Program Policies and the Amazon Advertising Agreement with respect to the Ad Services, the Amazon Advertising Agreement will prevail to the extent of the conflict. If the Amazon Advertising Agreement is deemed unlawful, void, or for any reason unenforceable, then the General Terms will govern your access to and use of the Ad Services.

Transaction Processing Service Terms

BY REGISTERING FOR OR USING ANY SERVICE OTHER THAN AMAZON ADVERTISING FOR WHICH THE ELECTED COUNTRY IS THE UNITED STATES, YOU (ON BEHALF OF YOURSELF OR THE BUSINESS YOU REPRESENT) AGREE TO BE BOUND BY THESE TRANSACTION PROCESSING SERVICE TERMS FOR THAT SERVICE. NOTWITHSTANDING THE FOREGOING, IF A SEPARATE AGREEMENT GOVERNS THE OFFER, SALE OR FULFILLMENT OF YOUR PRODUCTS ON THE US AMAZON SITE, THE TERMS OF THAT AGREEMENT WILL CONTINUE TO

GOVERN THE PROCESSING OF YOUR TRANSACTIONS TO THE EXTENT DESCRIBED IN THAT AGREEMENT.

P-1 Payments Processing Agency Appointment

For non-invoiced orders, you authorize Amazon Payments, Inc. to act as your agent for purposes of processing payments, refunds and adjustments for Your Transactions, receiving and holding Sales Proceeds on your behalf, remitting Sales Proceeds to Your Bank Account, charging your Credit Card, and paying Amazon and its Affiliates amounts you owe in accordance with this Agreement or other agreements you may have with Amazon Affiliates. For invoiced orders, you authorize: (a) Amazon Capital Services, Inc. to act as your agent for purposes of processing payments, refunds and adjustments for Your Transactions, and receiving and holding Sales Proceeds on your behalf; and (b) Amazon.com Services LLC to act as your agent for purposes of remitting Sales Proceeds to Your Bank Account, charging your Credit Card, and paying Amazon and its Affiliates amounts you owe in accordance with this Agreement or other agreements you may have with Amazon Affiliates. Amazon Payments, Inc., Amazon Capital Services, Inc., and Amazon.com Services LLC are each an "Amazon Payments Agent". The applicable Amazon Payments Agents provide the services described in these Transaction Processing Service Terms and the related services described in Sections S-1.4, S-2.2, S-5, and F-8.3 of the Agreement (collectively, the "Transaction Processing Services").

When a buyer instructs us to pay you, you agree that the buyer authorizes and orders us to commit the buyer's payment (less any applicable fees or other amounts we may collect under this Agreement) to you. You agree that buyers satisfy their obligations to you for Your Transactions when we receive the Sales Proceeds. We will remit funds to you in accordance with this Agreement.

P-2 Remittance

Subject to Section 2 of the General Terms of this Agreement, the applicable Amazon Payments Agents will remit funds to you in accordance with Section S-5 of the Agreement and these Transaction Processing Service Terms. Each applicable Amazon Payments Agent's obligation to remit funds collected or received by it or otherwise credited to your available balance in connection with Your Transactions is limited to funds in your available balance that have become available in accordance with this Agreement less amounts owed to Amazon and any taxes that Amazon automatically calculates, collects and remits to a tax authority according to applicable law, as specified in the Tax Policies, subject to chargeback or reversal or withheld for anticipated claims in accordance with this Agreement. Without limiting Amazon's rights to collect any amounts you owe,

the applicable Amazon Payments Agent's receipt of Sales Proceeds or crediting of Sales Proceeds to your available balance discharges your obligation to pay applicable fees and other amounts under this Agreement to the extent the Sales Proceeds received or credited equal or exceed the fees and other amounts you owe and the Sales Proceeds are applied to the payment of those fees and amounts.

P-3 Your Funds

Your Sales Proceeds will be held in an account with the applicable Amazon Payments Agent (a "Seller Account") and will represent an unsecured claim against that Amazon Payments Agent. Your Sales Proceeds are not insured by the Federal Deposit Insurance Corporation, nor do you have any right or entitlement to collect Sales Proceeds directly from any customer. Prior to disbursing funds to you, an Amazon Payments Agent may combine Sales Proceeds held with the funds of other users of the Services, invest them, or use them for other purposes permitted by applicable Laws. You will not receive interest or any other earnings on any Sale Proceeds. To the extent required by applicable Laws, an Amazon Payments Agent will not use any funds held on your behalf for its corporate purposes, will not voluntarily make such funds available to its creditors in the event of bankruptcy or for any other purpose, and will not knowingly permit its creditors to attach such funds.

P-4 Verification

We may at any time require you to provide any financial, business or personal information we request to verify your identity. You authorize us to obtain from time to time consumer credit reports to establish or update your Seller Account or in the event of a dispute relating to this Agreement or the activity under your Seller Account. You agree to update all Seller Account information promptly upon any change. The [Amazon Payments Privacy Notice](#) applies to transactions processed by Amazon Payments, Inc.

P-5 Dormant Accounts

If there is no activity (as determined by us) in connection with your Seller Account for the period of time set forth in applicable unclaimed property laws and we hold Sales Proceeds on your behalf, we will notify you by means designated by us and provide you the option of keeping your Seller Account open and maintaining the Sales Proceeds in your Seller Account. If you do not respond to our notice(s) within the time period we specify, we will send the Sales Proceeds in your Seller Account to your state of residency, as determined by us based on the information in your Seller Account. If we are unable to determine

your state of residency or your Seller Account is associated with a foreign country, your funds may be sent to the State of Delaware.

Selling Partner API Terms

API-1 Description of the Selling Partner APIs

The "Selling Partner APIs" enable your systems to interface with certain features or functionality we make available to you. These Selling Partner API Terms concern and apply only to your use of the Selling Partner APIs unless specifically provided otherwise. Under the Selling Partner API Terms, you may authorize parties who (a) develop Applications to support you using the Selling Partner APIs or the API Materials, (b) have registered with us as Developers, and (c) who have agreed to the Marketplace Developer Agreement ("Developers") to access Confidential Information and Your Materials via the Selling Partner APIs provided, in each case, that where Confidential Information is disclosed to Developers, you shall remain liable for the acts or omissions of such Developers as if such acts or omissions were your own. If you wish to use the Selling Partner APIs directly or develop software or a website that interfaces with the Selling Partner APIs or the API Materials (an "Application"), you must register as a Developer.

We may make available Selling Partner APIs (including the Marketplace Web Services APIs) and software, data, text, audio, video, images, or other content we make available in connection with the Selling Partner APIs, including related documentation, software libraries, and other supporting materials, regardless of format (collectively the "API Materials") that permit your systems to interface with certain features or functionality available to you. You may authorize Developers to access Confidential Information and Your Materials via the Selling Partner APIs solely for the purpose of supporting your business on Amazon and provided, in each case, that where Confidential Information is disclosed to Developers, you shall remain liable for the acts or omissions of such Developers as if such act or omissions were your own. All terms and conditions applicable to the Selling Partner APIs and the API Materials in this Agreement are solely between you and us. API Materials that are public or open source software ("Public Software") may be provided to you under a separate license, in which case, notwithstanding any other provision of this Agreement, that license will govern your use of those API Materials. For the avoidance of doubt, except to the extent expressly prohibited by the license governing any API Materials that are Public Software, all of the non-license provisions of this Agreement will apply.

API-2 License and Related Requirements

API-2.1 Generally.

We grant you a limited, revocable, non-exclusive, non-sublicenseable, nontransferable license during the term of the Agreement to allow Developers to access and use Confidential Information and Your Materials through the Selling Partner APIs and the API Materials solely in support of your use of the Services covered by this Agreement. As between you and us, we or our licensors own all right, title, and interest in and to the Confidential Information, the Selling Partner APIs, the API Materials, any technical and operational specifications, security protocols and other documentation or policies provided or made available by us with respect to the Selling Partner APIs or the API Materials (the "Selling Partner API Specifications"), and our internal data center facilities, servers, networking equipment, and host software systems that are within our or their reasonable control and are used to provide the Selling Partner APIs or the API Materials (the "Amazon Network").

API-2.2 License Restrictions.

You may authorize Developers to access Confidential Information and Your Materials through the Selling Partner APIs and the API Materials only through APIs documented and communicated by us in accordance with any applicable Selling Partner API Specifications. You may not authorize any other party to do any of the following with the Confidential Information, the Selling Partner APIs and the API Materials: (a) reverse engineer, decompile, or disassemble them; (b) modify or create derivative works based upon them in whole or in part; (c) distribute copies of them; (d) remove any proprietary notices or labels on them; (e) use any Public Software in any manner that requires, pursuant to the license applicable to such Public Software, that the Confidential Information, the Selling Partner APIs and the API Materials be disclosed, licensed, distributed, or otherwise made available to anyone; (f) resell, lease, rent, transfer, sublicense, or otherwise transfer rights to them; (g) access or use them in a way intended to avoid incurring any applicable fees or exceeding usage limits or quotas; (h) access or use them for any purpose unrelated to your use of Services; or (i) access or use them for fraudulent or illegal activities or activities that violate our policies or are otherwise harmful to us or any third parties. The limitations regarding Data Use in Section 11 above apply to any information you disclose or receive by the direct or indirect use of the Selling Partner APIs.

API-2.3 No License for Direct Access.

For the avoidance of doubt, these Selling Partner API Terms do not provide you a license to directly access or use the Selling Partner APIs, or install, copy, use, or

distribute API Materials. Direct use of the Selling Partner APIs may only be licensed to Developers.

API-2.4 Account Identifiers and Credentials.

You must use the account IDs and any unique public key/private key pair issued by us to provide access to your data via the Selling Partner APIs ("Account Identifiers and Credentials") in accordance with these Selling Partner API Terms to authorize Developers to access the Selling Partner APIs on your behalf. You may only authorize access to Confidential Information and Your Materials via the Selling Partner APIs in the way that we prescribe. Your Account Identifiers and Credentials are for your personal use only and you must maintain their secrecy and security. You are solely responsible for all activities that occur using your Account Identifiers and Credentials, regardless of whether the activities are undertaken by you or a third party (including your employees, contractors, or agents). You will provide us with notice immediately if you believe an unauthorized third party may be using your Account Identifiers and Credentials or if your Account Identifiers and Credentials are lost or stolen. We are not responsible for unauthorized use of your Account Identifiers and Credentials.

API-2.5 Security of Your Materials and Confidential Information.

You are solely responsible for authorizing others to access the Selling Partner APIs on your behalf and taking your own steps to maintain appropriate security, protection, and backup of the Confidential Information and Your Materials processed pursuant to your access to the Selling Partner APIs and the API Materials, including any Confidential Information you have disclosed to Developers in accordance with this Agreement. We are not responsible for any unauthorized access to, alteration of, or deletion, destruction, damage, loss, or failure to store any of the Confidential Information or Your Materials in connection with the Selling Partner APIs (including as a result of your or any third party's errors, acts, or omissions). If you believe (acting reasonably) that a personal data breach has occurred in relation to any customer personal data in your possession or otherwise under your control (including in the possession of a Developer), you shall immediately notify Amazon of such personal data breach (in sufficient detail) for information purposes, and promptly take any actions (or require a Developer take such actions, if relevant) as applicable to you under data privacy Laws.

API-3 Termination

API-3.1 Termination of Your Access to the Selling Partner APIs and the API Materials.

Without limiting the parties' rights and obligations under this Agreement, the Amazon Marketplace Developer Agreement, or the Amazon Marketplace API License Agreement, we may limit, suspend, or terminate your access to the Selling Partner APIs and the API Materials for convenience with 30 days' notice. We may terminate immediately if (a) we determine that you have materially breached this Agreement and failed to cure within 7 days of a cure notice; (b) you or your account have been engaged in deceptive, fraudulent, or illegal activity; or (c) your use of the Selling Partner APIs and the API Materials may harm our customers.

Upon any suspension or termination of your access to the Selling Partner APIs and the API Materials, you will immediately cease authorizing others to use the Selling Partner APIs and the API Materials. Upon any termination of your access to the Selling Partner APIs and the API Materials, you will also immediately destroy all API Materials. Upon any suspension or termination of your access to the Selling Partner APIs and the API Materials, we may cause your Account Identifiers and Credentials to cease to be recognized by the Amazon Network for the purposes of the Selling Partner APIs and the API Materials.

API-4 Modifications to the Selling Partner APIs and the API Materials

We may change or discontinue the Selling Partner APIs or the API Materials (including by changing or removing features or functionality of the Selling Partner APIs or the API Materials) from time to time. For any material changes that will negatively affect your business, we will provide notice under Section 18.

API-5 Disclaimers

THE SELLING PARTNER APIS AND THE API MATERIALS ARE PROVIDED "AS IS". WE AND OUR AFFILIATE COMPANIES AND LICENSORS MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE REGARDING THE SELLING PARTNER APIS OR THE API MATERIALS, INCLUDING ANY WARRANTY THAT THE SELLING PARTNER APIS OR THE API MATERIALS WILL BE UNINTERRUPTED, ERROR FREE, OR FREE OF HARMFUL COMPONENTS, OR THAT ANY MATERIALS OR DATA YOU ACCESS, USE, STORE, RETRIEVE, OR TRANSMIT IN CONNECTION WITH THE SELLING PARTNER APIS, INCLUDING YOUR MATERIALS, WILL BE SECURE OR NOT OTHERWISE LOST OR DAMAGED. EXCEPT TO THE EXTENT PROHIBITED BY LAW, WE AND OUR AFFILIATE COMPANIES AND LICENSORS DISCLAIM ALL WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR QUIET ENJOYMENT, AND ANY WARRANTIES ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE. FURTHER, NEITHER WE

NOR ANY OF OUR AFFILIATE COMPANIES OR LICENSORS WILL BE RESPONSIBLE FOR ANY COMPENSATION, REIMBURSEMENT, OR DAMAGES ARISING IN CONNECTION WITH: (A) THE INABILITY TO USE THE SELLING PARTNER APIS OR THE API MATERIALS FOR ANY REASON; (B) THE COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; OR (C) ANY INVESTMENTS, EXPENDITURES, OR COMMITMENTS BY YOU IN CONNECTION WITH THIS AGREEMENT OR YOUR USE OF OR ACCESS TO THE SELLING PARTNER APIS OR THE API MATERIALS.

Amazon Anti-Counterfeiting Policy

Published 6/16/20

Products offered for sale on Amazon must be authentic. The sale of counterfeit products is strictly prohibited. Failure to abide by this policy may result in loss of selling privileges, funds being withheld, and disposal of inventory in our possession.

It is each seller's and supplier's responsibility to source, sell, and fulfill only authentic products. Prohibited products include bootlegs, fakes, or pirated copies of products or content; products that have been illegally replicated, reproduced, or manufactured; and products that infringe another party's intellectual property rights. If you sell or supply inauthentic products, we may immediately suspend or terminate your Amazon selling account (and any related accounts) and dispose of any inauthentic products in our fulfillment centers at your expense. In addition, we do not pay sellers until we are confident our customers have received the authentic products they ordered. We may withhold payments if we determine that an Amazon account has been used to sell inauthentic goods, commit fraud, or engage in other illegal activity.

We work with manufacturers, rights holders, content owners, vendors, and sellers to improve the ways we detect and prevent inauthentic products from reaching our customers. As a result, we remove suspect listings based on our own review of products. We also work with rights holders and law enforcement worldwide to take and support legal action against sellers and suppliers that knowingly violate this policy and harm our customers. In addition to criminal fines and imprisonment, sellers and suppliers of inauthentic products may face civil penalties including the loss of any amounts received from the sale of inauthentic products, the damage or harm sustained by the rights holders, statutory and other damages, and attorney's fees.
